## UNITED STATES ENVIRONMENTAL PROTECTION AGENCY

WASHINGTON, D.C. 20460

OFFICE OF  
PREVENTION, PESTICIDES  
AND TOXIC SUBSTANCES

MAY 18 1998

Mr. Richard Pence  
Novartis Crop Protection, Inc.  
P.O. Box 18300  
Greensboro, North Carolina 27419-8300

Subject: Technical CGA-169374 ✓  
EPA Registration No. 100-739  
Your amended label dated April 14, 1998.

Dear Mr. Pence,

The labeling referred to above, submitted in connection with registration under the Federal Insecticide, Fungicide, and Rodenticide Act (FIFRA), as amended, is acceptable provided that you:

1. Make the following changes to the product label:
  - a. In the first sentence in the Environmental Hazards section on the second to the last page in the subject label delete "other" from before "aquatic invertebrates"; fish are not invertebrates.
  - b. In the Environmental Hazards section, at the end of the last sentence change "EPA" to Environmental Protection Agency".
  - c. In the Directions for Use section, add a statement that begins "Only for formulation into a fungicide for treatment of the seeds of wheat and triticale."
2. Submit the Technical Bulletin referred to in the "Chemical and Physical Properties" section of the label to the Agency for review. Since the bulletin is referred to in the labeling, it is therefore a part of the labeling, and subject to review. Alternatively, the reference to the Technical Bulletin could be dropped.
3. Submit one copy of your final printed labeling before you release the product for shipment.

If these conditions are not complied with, the registration may be subject to cancellation in accordance with FIFRA section 6(e). Your release for shipment of the product bearing the amended labeling constitutes acceptance of these conditions.

20/5

A stamped copy of the labeling is enclosed for your records.

Sincerely yours,

/s/

Cynthia L. Giles-Parker  
Product Manager (22)  
Fungicide Branch  
Registration Division (7505C)

Attachment: Label stamped "Accepted with Comments"

**Note to Physician:** If ingested, induce emesis or lavage stomach. Treat symptomatically.

**Environmental Hazards**

This product is toxic to fish and other aquatic invertebrates. Do not discharge effluent containing this product into lakes, streams, ponds, estuaries, oceans, or other waters, unless in accordance with the requirements of a National Pollutant Discharge Elimination System (NPDES) permit and the permitting authority has been notified in writing prior to discharge. Do not discharge effluent containing this product to sewer systems without previously notifying the local sewage treatment plant authority. For guidance, contact your State Water Board or Regional Office of the EPA.

**DIRECTIONS FOR USE AND CONDITIONS OF SALE AND WARRANTY**

**IMPORTANT:** Read the entire **Directions for Use** and the **Conditions of Sale and Warranty** before using this product. If the terms are not acceptable, return the unopened product container at once.

---

**CONDITIONS OF SALE AND WARRANTY**

---

The **Directions for Use** of this product reflect the opinion of experts based on field use and tests. The directions are believed to be reliable and should be followed carefully. However, it is impossible to eliminate all risks inherently associated with use of this product. Crop injury, ineffectiveness, or other unintended consequences may result because of such factors as weather conditions, presence of other materials, or the manner of use or application, all of which are beyond the control of Novartis Crop Protection, Inc. or the Seller. All such risks shall be assumed by the Buyer.

Novartis warrants that this product conforms to the chemical description on the label and is reasonably fit for the purposes referred to in the **Directions for Use** subject to the inherent risks referred to above. Novartis makes no other express or implied warranty of Fitness or Merchantability or any other express or implied warranty. In no case shall Novartis or the Seller be liable for consequential, special, or indirect damages resulting from the use or handling of this product. Novartis and the Seller offer this product, and the Buyer and user accept it, subject to the foregoing **Conditions of Sale and Warranty**, which may be varied only by agreement in writing signed by a duly authorized representative of Novartis.

5045

No end use of this product other than formulation is intended or implied by the above Conditions of Sale and Warranty.

**DIRECTIONS FOR USE**

It is a violation of federal law to use this product in a manner inconsistent with its labeling.

**Chemical and Physical Properties**

Refer to Technical Bulletin for Technical CGA-169374.

**Storage and Disposal**

**Pesticide Storage and Disposal**

Do not contaminate water, food, or feed by storage, disposal or cleaning of equipment. Wastes resulting from the use of this product may be disposed of on site or at an approved waste disposal facility.

**Container Disposal**

Completely empty liner by shaking and tapping sides and bottom to loosen clinging particles. Empty residue into application equipment. Then dispose of liner in a sanitary landfill or by incineration, if allowed by state and local authorities. If drum is contaminated and cannot be reused, dispose of in the same manner.

For minor spills, leaks, etc., follow all precautions indicated on this label and clean up immediately. Take special care to avoid contamination of equipment and facilities during cleanup and disposal of wastes. In the event of a major spill, fire, or other emergency, call 1-800-888-8372, day or night.
