Attn: Ms. Sherada Hobgood (RD)

Dear Ms. Hobgood:

Enclosed is one copy of the subject product label which includes the following changes: [Note: Although a change in company name and address according to PR Notice 98-10 Part IV D. does not require a notification to the Agency as long as the ownership of the registration has been officially changed, Syngenta is submitting this notification to aid in state registration. In addition, the use of the former Zeneca warranty statement (see below) on former Novartis products, we believe, constitutes the need for a notification.]

- 1. Company name and address have been updated to reflect Syngenta Crop Protection, Inc.
- 2. The Conditions of Sale and Warranty statement has been changed to reflect the name change. Because Syngenta has been formed by the merger of Novartis Crop Protection, Inc. and Zeneca Ag Products, we have chosen to use the former Zeneca warranty statement as the Syngenta warranty statement. No other changes occur in the statement other than the name change.
- 3. The copyright date reflects Syngenta.
- 4. Trademark statements have been updated to reflect Syngenta for those products for which Syngenta holds the trademark.
- 5. The Internet address has been changed to reflect Syngenta.
- 6. Other places in the label which referring to the company name have been updated.

All of the above changes have been highlighted in the copy of labeling provided.

July 13, 2001 Ms. Sherada Hobgood Notification of Company Name Change

To complete this notification, an EPA Form 8570-1 is included as well.

If you have any questions regarding this notification, please feel free to contact me at 336 632 7567.

Thank you for handling this matter.

Sincerely,

Attn: Ms. Sherada Hobgood (RD)

Dear Ms. Hobgood:

Enclosed is one copy of the subject product label which includes the following changes: [Note: Although a change in company name and address according to PR Notice 98-10 Part IV D. does not require a notification to the Agency as long as the ownership of the registration has been officially changed, Syngenta is submitting this notification to aid in state registration. In addition, the use of the former Zeneca warranty statement (see below) on former Novartis products, we believe, constitutes the need for a notification.]

- 1. Company name and address have been updated to reflect Syngenta Crop Protection, Inc.
- 2. The Conditions of Sale and Warranty statement has been changed to reflect the name change. Because Syngenta has been formed by the merger of Novartis Crop Protection, Inc. and Zeneca Ag Products, we have chosen to use the former Zeneca warranty statement as the Syngenta warranty statement. No other changes occur in the statement other than the name change.
- 3. The copyright date reflects Syngenta.
- 4. Trademark statements have been updated to reflect Syngenta for those products for which Syngenta holds the trademark.
- 5. The Internet address has been changed to reflect Syngenta.
- 6. Other places in the label which referring to the company name have been updated.

All of the above changes have been highlighted in the copy of labeling provided.

July 13, 2001 Ms. Sherada Hobgood Notification of Company Name Change

To complete this notification, an EPA Form 8570-1 is included as well.

If you have any questions regarding this notification, please feel free to contact me at 336 632 7567.
