Non-Notification Submission of Corrected Supplemental Labelling for the 2001 Use
Season for the Control of Chinese Aphids in Soybeans. Correction of
Typographical Error .**

Dear Mr. LaRocca:

Syngenta Crop Protection Inc., herein submits per the provisions of PR Notice 98-10, corrected supplemental labels for the control of Chinese aphid in soybeans.

The label submitted herein (Label code 10182-434A-S1A 0701) corrects a typographical error in the active ingredient statement. The label submitted via notification on July 12, 2001 (label code 10182-434A-S1 0701) indicates that the lambda-cyhalothrin percentage for the product is 22.8%. The correct percentage for the product is 11.4%. The label submitted herein corrects this typographical error.

I have attached a copy of our July 12, 2001 letter to provide further detail on the supplemental label submission.

We trust you will find this submission in order, however, should you have any questions, please contact me at 336.632.2365.

Sincerely,
