	U.S. ENVIRONMENTAL PROTECTION AGENCY Office of Pesticide Programs Registration Division (H7505C) 401 "M" St., S.W. Washington, D.C. 20460	EPA Reg. Number: 100-1180	Date of Issuance: DEC 8 2003	
	NOTICE OF PESTICIDE: <input checked="" type="checkbox"/> Registration <input type="checkbox"/> Reregistration	Term of Issuance: Conditional		Name of Pesticide Product: Touchdown Diquat Home and Garden Ready-to-Use
	(under FIFRA, as amended)			
Name and Address of Registrant (include ZIP Code): Syngenta Crop Protection, Inc. P.O. Box 18300 Greensboro, NC 27419-8300				
<b>Note:</b> Changes in labeling differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above EPA registration number.				
On the basis of information furnished by the registrant, the above named pesticide is hereby registered/reregistered under the Federal Insecticide, Fungicide and Rodenticide Act.				
Registration is in no way to be construed as an endorsement or recommendation of this product by the Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.				
This product is conditionally registered in accordance with section 3(c)(7)(A) of the Federal Insecticide, Fungicide, and Rodenticide Act (FIFRA) provided that you:				
<ol style="list-style-type: none"> <li>1. Submit the result of the ongoing storage and stability (830.6317) and corrosion characteristics (830.6320) studies once they are complete.</li> <li>2. Submit/cite all data required for registration/reregistration of your product when the Agency requires all registrants of similar products to submit such data.</li> <li>3. Make the labeling changes listed below before you release the product for shipment.           <ol style="list-style-type: none"> <li>a. Add the phrase "EPA Registration No. 100-1180".</li> <li>b. Under Storage and Disposal revise "Storage" to read "Pesticide Storage".</li> <li>c. Revise your Container Disposal section to read as below. Refer to PR Notice 2001-6 and the EPA Label Manual for details.               <p>"If empty: Do not reuse ths container. Place in trash or offer for recycling if available."</p> </li> </ol> </li> </ol>				
If partly filled: Call your local solid waste agency or [toll free number that meets the criteria of paragraph II E] for disposal instructions. Never place unused product down any indoor or outdoor drain.				
Signature of Approving Official: <i>Richard K. Wallis for James A. Tompkins</i>		Date: 12/8/03		

Submit three (3) copies of your final printed labeling before you release the product for shipment.

If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA section 6(e). Your release for shipment of the product constitutes acceptance of these conditions.

A stamped copy of labeling is enclosed for your records..

Touchdown® Diquat Home and Garden Ready To Use

Herbicide

Weed and Grass Killer, Fence and Yard Edger

**CONDITIONS OF SALE AND LIMITATION OF WARRANTY AND LIABILITY**

**NOTICE:** Read the entire Directions for Use and Conditions of Sale and Limitation of Warranty and Liability before buying or using this product. If the terms are not acceptable, return the product at once, unopened, and the purchase price will be refunded.

The Directions for Use of this product should be followed carefully. It is impossible to eliminate all risks inherently associated with the use of this product. Crop injury, ineffectiveness or other unintended consequences may result because of such factors as manner of use or application, weather or crop conditions, presence of other materials or other influencing factors in the use of the product, which are beyond the control of Syngenta Crop Protection, Inc. or Seller. All such risks shall be assumed by Buyer and User, and Buyer and User agree to hold Syngenta and Seller harmless for any claims relating to such factors.

Syngenta warrants that this product conforms to the chemical description on the label and is reasonably fit for the purposes stated in the Directions for Use, subject to the inherent risks referred to above, when used in accordance with directions under normal use conditions. This warranty does not extend to the use of this product contrary to label instructions, or under abnormal conditions or under conditions not reasonably foreseeable to or beyond the control of Seller or Syngenta, and Buyer and User assume the risk of any such use. **SYNGENTA MAKES NO WARRANTIES OF MERCHANTABILITY OR OF FITNESS FOR A PARTICULAR PURPOSE NOR ANY OTHER EXPRESS OR IMPLIED WARRANTY EXCEPT AS STATED ABOVE.**

In no event shall Syngenta or Seller be liable for any incidental, consequential or special damages resulting from the use or handling of this product. **THE EXCLUSIVE REMEDY OF THE USER OR BUYER, AND THE EXCLUSIVE LIABILITY OF SYNGENTA AND SELLER FOR ANY AND ALL CLAIMS, LOSSES, INJURIES OR DAMAGES (INCLUDING CLAIMS BASED ON BREACH OF WARRANTY, CONTRACT, NEGLIGENCE, TORT, STRICT LIABILITY OR OTHERWISE) RESULTING FROM THE USE OR HANDLING OF THIS PRODUCT, SHALL BE THE RETURN OF THE PURCHASE PRICE OF THE PRODUCT OR, AT THE ELECTION OF SYNGENTA OR SELLER, THE REPLACEMENT OF THE PRODUCT.**

Syngenta and Seller offer this product, and Buyer and User accept it, subject to the foregoing conditions of sale and limitations of warranty and of liability, which may not be modified except by written agreement signed by a duly authorized representative of Syngenta.

### DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

#### NON-AGRICULTURAL USE REQUIREMENTS

The requirements in this box apply to uses of this product that are NOT within the scope of the Worker Protection Standard for agricultural pesticides (40 CFR Part 170). The WPS applies when this product is used to produce agricultural plants on farms, forests, nurseries, or greenhouses.

Keep people and pets off treated areas until spray solution has dried.

#### STORAGE AND DISPOSAL

##### Storage

Use and store this product in its original container. Store product in a secure storage area. Protect from freezing.

##### Container Disposal

Do not use container for any use other than as described on this label. If local laws permit, partially filled or empty container may be disposed of by wrapping in several layers of newspaper and discarding in trash. In case of a spill or leak, soak up with absorbent paper towels and discard in trash. Container is not safe for food, feed, or drinking water. Never pour product down any drain.

#### GENERAL INFORMATION

Touchdown Diquat Home and Garden Ready To Use is a nonselective foliar systemic herbicide used to control a broad spectrum of emerged grass and broadleaf weeds, both annual and perennial, **down to the roots**. Any product not absorbed by plants breaks down into natural materials without moving in or on the soil to untreated plants. Touchdown Home and Garden Concentrate may be used in the following areas:

- Along fences
- Around flowers, shrubs, or trees
- Lawn replacement
- Patios, walkways, driveways, gravel or mulch beds
- Other areas in your yard.

**Important Note:**

- Damage may be caused by contact with any vegetation to which treatment is not intended.
- Rainproof: rainfall or watering 1 hour to 2 hours after application will not reduce weed control.
- Do not spray if conditions for drift onto adjacent desirable plants exist.
- All ornamental flowers, trees, and shrubs may be planted 1 day after application.
- Touchdown Ready To Use will only control emerged weeds and has no soil activity; apply when weeds are actively growing.
- Not recommended for spot treatment in lawns because this product will injure or kill any grass intercepting the spray.
- People and pets may re-enter treated areas immediately after spray has dried.

---

**APPLICATION PROCEDURES**

---

- Use a coarse spray and apply until wet to weeds to be controlled.
- For best results, apply to actively growing weeds when air temperature is above 60°F.
- When spot spraying, use a cardboard or plastic shield to protect desirable plants from being sprayed. If desirable plants are accidentally sprayed, rinse them off immediately with ample water.
- If needed, make repeat treatments to established weeds approximately 2 weeks after initial application.
- Sprayed weeds usually begin to wilt within hours after application with complete kill in 1-2 weeks.

**Application Restrictions:** Do not apply this product in a way that will contact any person or pet, either directly or through drift. Only the person applying this product may be in the area during application.
