Comments Continued:

2. Under the "For Manufacturing Use Only for the Following Uses:" section either delete the descriptor "selective" or describe the meaning of this word in context with the claims of performance on this label.
3. Revise the claimed sites under the 6th bullet in the "For Manufacturing Use Only for the Following Uses" section by deleting the words "**or surrounding municipal grounds and and government installations**". Such a claim could constitute misbranding under section 156.10(a) (5)(v) as it could "directly or indirectly imply the this pesticide product is recommended or endorsed by an Agency of the Federal Government or a municipality."
4. Submit and/or cite all data required for the registration of this product when the Agency requires all registrants of similar products to submit data; and submit acceptable responses required for reregistration of this product under FIFRA, section 4.
5. Submit one (1) copy of the final printed labeling before you release this product for shipment.

If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA sec. 6(e). Your release for shipment of the product constitutes acceptance of these conditions.

A stamped copy of the label is enclosed for your records.
