Thomas J. Parshley  
Syngenta Crop Protection, Inc.  
P.O. Box 18300  
Greensboro, NC 27419

Subject: Notification of Primary Brand Name Change and other minor revisions  
per PRN 98-10

Dear Mr. Parshley:

The Agency is in receipt of your Application for Pesticide Notification under Pesticide Registration Notice (PRN) 98-10, dated February 1, 2013, for EPA Registration Number 100-1504.

The Registration Division (RD) has conducted a review of your request for applicability under PRN 98-10, and finds that the action requested falls within the scope of PRN 98-10. The label submitted with your application has been stamped "Notification," and the product record has been updated to reflect the new primary brand name: "Indoxacarb Cockroach Gel."

If you have any questions, please contact me directly at 703-308-8735 or email me at [chao.julie@epa.gov](mailto:chao.julie@epa.gov).

Sincerely,

A handwritten signature in black ink, appearing to read "Julie Chao".

Julie Chao

**SUBJECT: NOTIFICATION TO REMOVE "DUPONT™" FROM PRODUCT NAME AND  
OTHER CHANGES TO CONVERT PRODUCT TO SYNGENTA FOR DUPONT  
INDOXACARB COCKROACH GEL, EPA REG. NO. 100-1504**

Dear Mr. Hebert:

Syngenta Crop Protection is submitting an application for a fast track non PRIA to revise the labeling for the subject product (EPA Reg. No. 100-1504) to remove the name "DuPont" from the product name and other associated labeling revisions for a product that has been transferred.

Please find the enclosed documents for the subject product:

- Application for Amended Pesticide Registration (EPA Form 8570-1)
- Copies of highlighted and clean product labeling

**Fees for Service**

Since this is a Fast Track non PRIA action, there is no fee associated with this Notification.

Syngenta is requesting an expedited review and approval to drop the name "DuPont" from the brand name. This was discussed in a recent telephone conversation between our offices and is urgently needed to allow Syngenta to have sales in 2013. In addition Syngenta is making the normal changes to a label when it has been transferred from one company to another, including not only the product name change noted previously, but also company name, EPA Reg. No., warranty, and emergency contact information for Syngenta.

If there are any questions concerning matters contained in this submission, please do not hesitate to contact myself at either 336-632-7207 or by e-mail at [tom.parshley@syngenta.com](mailto:tom.parshley@syngenta.com). Also, you may contact my regulatory assistant Pat Eay at 336-632-6746 or by e-mail at [pat.eay@syngenta.com](mailto:pat.eay@syngenta.com).

Sincerely,

Thomas J. Parshley

**PRECAUTIONARY STATEMENTS**

**HAZARDS TO HUMANS AND DOMESTIC ANIMALS**

**CAUTION:** Avoid contact with skin, eyes or clothing. Wash thoroughly with soap and water after handling.

**Environmental Hazards**

Do not apply directly to water, or to areas where surface water is present or to intertidal areas below the mean high water mark.

**Physical and Chemical Hazards**

Do not use this product in or on electrical equipment where a possibility of shock hazard exists.

## DIRECTIONS FOR USE

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.

**READ THIS LABEL:** Read this entire label and follow all use directions and use precautions. Use only for the sites, pests, and application methods described on this label.

### BACKGROUND INFORMATION:

DuPont™ Indoxacarb Cockroach Gel is a ready-to-use highly attractive gel bait formulation that is very effective in controlling German and American cockroaches.

### BEFORE YOU START

- Apply to areas not easily accessible to children and pets.
- Do not apply Indoxacarb Cockroach Gel bait to surfaces recently treated with residual insecticide sprays.
- Surfaces treated with Indoxacarb Cockroach Gel bait must not be treated with insecticidal sprays, as the bait will be rendered ineffective.
- Do not apply in or on electrical equipment due to the possibility of shock.
- Do not apply to surfaces that food contacts.
- Do not allow open foods to contact gel material.
- Do not apply in locations of high temperature or direct sunlight.
- Gel deposits may be cleaned up by using damp paper towel or rag while still wet, or if dried has dried use putty knife to scrape and discard in trash.

### HOW IT WORKS

DuPont™ Indoxacarb Cockroach Gel bait contains the active ingredient indoxacarb, in a formulation that is highly attractive to German and American cockroaches.

The handy applicator makes it easy to apply small placements of gel. For high cockroach densities, more placements also allow more cockroaches to eat at the same time.

### WHERE TO USE Indoors:

- Kitchens
- Bathrooms
- Laundry rooms
- Basements
- Garages

- May be used indoors [or outdoors] [applied] as a crack and crevice [and corner] treatment in and around single and multi-family residential buildings.
- Apply to areas [frequented by] [cock]roaches [are commonly found] such as:
  - [Under sinks and] around plumbing [and] pipes
  - [To drawers and] cabinet [corners] where [cock] roaches are known to [hide][nest]
  - [Equipment legs and bases][including][and] behind and under appliances [such as] [ovens][refrigerators][and][washers]
  - Openings leading into [voids][cracks] and hollow spaces [in] [floors][walls][and][ceilings]
  - Trashcans
  - Behind toilets
  - Baseboards, doors and windows
- Do not apply in locations of high temperature or direct sunlight
- Inspect bait placements periodically and apply fresh bait as needed.

[OPTIONAL GRAPHICS WITH TEXT] [Where To Place The Gel]

[Main placement areas]

[Panel 1: Picture with arrows pointing under refrigerator] [Panel 2: Picture with arrows pointing under drawers]

[Panel 3: Picture with arrows pointing behind trash receptacle in kitchen]

[Panel 4: Picture with arrows pointing to inside of storage cabinet under kitchen sink]

[Panel 5: Picture with arrows pointing behind toilet in bathroom]

[Panel 6: Picture with arrows pointing to inside edge of bathroom sink cabinet]

[Panel 7: Picture with arrows pointing behind toilet in bathroom opposite side]

[Panel 8: Picture with arrows pointing to cracks and crevices at base of bathroom cabinet]

**Outdoors:**

- A thorough inspection around a structure may reveal areas where cockroaches are gaining access. Attempts should be made to remove the access.
- Apply DuPont™ Indoxacarb Cockroach Gel bait as a spot or thin bead (see above) to pest entry sites such as along windows, doors, sewer areas, adjacent trees which harbor cockroaches, along walls, garbage holding areas, or suitable placement sites acting as a cockroach harborage.
- Place baits in such a way as to reduce the potential of subsequent human contact.

**HOW MUCH TO APPLY**

**For spot or gel dot applications:**

- For heavy infestations of [cock] roaches, apply 3 to 5 spots of [Indoxacarb Cockroach Gel] [other brand name][this product] bait per 10 linear feet or one square yard.
- For light to moderate infestations of [cock]roaches, apply 1- 3 spots of [Indoxacarb Cockroach Gel] [other brand name][this product] bait per 10 linear feet or one square yard.
- [Each [spot][gel dot] of [Indoxacarb Cockroach Gel][insert brand name][this][This][product] applied should [equal about 0.5 grams] [be approximately 1/4 inch diameter] [be about the size of a pea]

**To apply a [line] [bead]of gel:**

- For all levels of [cock] roach infestations, when a [bead][line] of [Indoxacarb Cockroach Gel [this product] bait is used, apply a small thin [bead][strip] that is less than 1/8 inches wide and approximately 2 inches long. [insert 1/8x2 inch bead/line graphic]
- [Inspect bait placements periodically and reapply fresh bait as needed.]

**HOW TO APPLY**

1. [Twist][and][Remove] cap[from][syringe][tip][tube][cap][to][open][position].
2. Place [syringe][tube] tip at surface to be treated.
3. [Gently squeeze][Apply light pressure to][plastic][syringe][plunger][tube][to create multiple spots of][gel][paste][about the size of a pea][or apply as a line or strip][When finished,] Lift [syringe][tube] tip from surface, [and][replace cap][twist cap][to close].
4. [Keep (the cap on)(the tube)(closed) (to prevent) (gel) (paste) (from drying out)].
5. [(For convenience,) (you can store tube standing up)].

**STORAGE AND DISPOSAL**

Do not contaminate water, food or feed by storage and disposal.

**Pesticide Storage:** Store in cool, dry place inaccessible to children and pets.

**Pesticide Disposal:** Wastes resulting from the use of this product must be disposed of on site or at an approved waste disposal facility.

**Container Handling:**

**Nonrefillable container.** Do not reuse or refill the gel bait dispenser. Place empty bait dispensers in trash, offer for recycling, or call your local solid waste authority or 1-800-xxx-xxxx for disposal instructions.

**(Following container handling instructions are for bulk containers only)**

**Nonrefillable Plastic and Metal Containers (Capacity Equal to or Less Than 50 Pounds):**

**Nonrefillable container.** Do not reuse or refill this container. Triple rinse container (or equivalent) promptly after emptying. Triple rinse as follows: Empty the remaining contents into application or manufacturing equipment. Fill the container 1/4 full with water and recap. Shake for 10 seconds. Store rinsate for disposal. Drain for 10 seconds after the flow begins to drip. Repeat this procedure two more times. Then, for Plastic Containers, offer for recycling if available or puncture and dispose of in a sanitary landfill, or by incineration. Do not burn, unless allowed by state and local ordinances. For Metal Containers, offer for recycling if available or reconditioning if appropriate, or puncture and dispose of in a sanitary landfill, or by other procedures approved by state and local authorities.

**Nonrefillable Plastic and Metal Containers (Capacity Greater Than 50 Pounds):**

**Nonrefillable container.** Do not reuse or refill this container. Triple rinse container (or equivalent) promptly after emptying. Triple rinse as follows: Empty the remaining contents into application or manufacturing equipment. Fill the container 1/4 full with water. Replace and tighten closures. Tip container on its side and roll it back and forth, ensuring at least one complete revolution, for 30 seconds. Stand the container on its end and tip it back and forth several times. Turn the container over onto its other end and tip it back and forth several times. Store rinsate for disposal. Repeat this procedure two more times. Then, for Plastic Containers, offer for recycling if available or puncture and dispose of in a sanitary landfill, or by incineration. Do not burn, unless allowed by state and local ordinances. For Metal Containers, offer for recycling if available or reconditioning if appropriate, or puncture and dispose of in a sanitary landfill, or by other procedures approved by state and local authorities

**Nonrefillable Plastic, Metal or Fiber Drums With Liners:**

**Nonrefillable container.** Do not reuse or refill this container. Completely empty drum liner into application or manufacturing equipment. Then offer for recycling if available or dispose of empty plastic, metal or fiber drum and liner in a sanitary landfill, or by incineration. Do not burn, unless allowed by state and local ordinances.

**Refillable Plastic, Metal or Fiber Drums With Liners:**

**Refillable container (fiber drum only).** Refilling Plastic, Metal or Fiber Drum: Refill this plastic, metal or fiber drum with [DuPont Indoxacarb Cockroach Gel][other company brand name] containing indoxacarb only. Do not reuse this plastic, metal or fiber drum for any other purpose. Cleaning before refilling is the responsibility of the refiller. Completely empty liner. Empty residue into application or manufacturing equipment. Disposing of Fiber Drum and/or Liner: Do not reuse this fiber drum for any other purpose other than refilling (see preceding). Cleaning the container (liner and/or fiber drum) before final disposal is the responsibility of the person disposing of the container. Offer the liner for recycling if available or dispose of liner in a sanitary landfill, or by incineration. Do not burn, unless allowed by state and local ordinances. If drum is contaminated and cannot be reused, dispose of it in the manner required for its liner. To clean the fiber drum before final disposal, completely empty the fiber drum by shaking and tapping sides and bottom to loosen clinging particles. Empty residue into application or manufacturing equipment. Then offer the fiber drum for recycling if available or dispose of in a sanitary landfill, or by incineration. Do not burn, unless allowed by state and local ordinances.

**All Other Refillable Containers:**

**Refillable container.** Refilling Container: Refill this container with [DuPont Indoxacarb Cockroach Gel][other company brand name] containing indoxacarb only. Do not reuse this container for any other purpose. Cleaning before refilling is the responsibility of the refiller. Prior to refilling, inspect carefully for damage such as cracks, punctures, abrasions, worn out threads and closure devices. If damage is found, do not use the container, contact [DuPont] [Syngenta] [other company] at the number below for instructions. Check for leaks after refilling and before transporting. If leaks are found, do not reuse or transport container, contact [DuPont] [Syngenta] [other company] at the number below for instructions. Disposing of Container: Do not reuse this container for any other purpose other than refilling (see preceding). Cleaning the container before final disposal is the responsibility of the person disposing of the container. To clean the container before final disposal, use the following pressure rinsing procedure. Insert a lance fitted with a suitable tank cleaning nozzle into the container and ensure that the water spray

M/B

thoroughly covers the top, bottom and all sides inside the container. The nozzle manufacturer generally provides instructions for the appropriate spray pressure, spray duration and/or spray volume. If the manufacturer's instructions are not available, pressure rinse the container for at least 60 seconds using a minimum pressure of 30 PSI with a minimum rinse volume of 10% of the container volume. Drain, pour or pump rinsate into rinsate collection system. Repeat this pressure rinsing procedure two more times. Then, for Plastic Containers, offer for recycling if available or puncture and dispose of in a sanitary landfill, or by incineration, unless allowed by state and local ordinances. For Metal Containers, offer for recycling if available or reconditioning if appropriate, or puncture and dispose of in a sanitary landfill, or by other procedures approved by state and local authorities.

Do not transport if this container is damaged or leaking. If the container is damaged, leaking or obsolete, or in the event of a major spill, fire or other emergency, contact ~~DuPont~~ Syngenta at 1-800-441-36378372, day or night.

### CONDITIONS OF SALE AND LIMITATION OF WARRANTY AND LIABILITY

**NOTICE:** Read the entire Directions for Use and Conditions of Sale and Limitation of Warranty and Liability before buying or using this product. If the terms are not acceptable, return the product at once, unopened, and the purchase price will be refunded.

The Directions for Use of this product must be followed carefully. It is impossible to eliminate all risks inherently associated with the use of this product. Crop injury, ineffectiveness or other unintended consequences may result because of such factors as manner of use or application, weather or crop conditions, presence of other materials or other influencing factors in the use of the product, which are beyond the control of SYNGENTA CROP PROTECTION, Inc. or Seller. To the extent permitted by applicable law, Buyer and User agree to hold SYNGENTA and Seller harmless for any claims relating to such factors.

SYNGENTA warrants that this product conforms to the chemical description on the label and is reasonably fit for the purposes stated in the Directions for Use, subject to the inherent risks referred to above, when used in accordance with directions under normal use conditions. To the extent permitted by applicable law: (1) this warranty does not extend to the use of this product contrary to label instructions or under conditions not reasonably foreseeable to or beyond the control of Seller or SYNGENTA, and, (2) Buyer and User assume the risk of any such use. **TO THE EXTENT PERMITTED BY APPLICABLE LAW, SYNGENTA MAKES NO WARRANTIES OF MERCHANTABILITY OR OF FITNESS FOR A PARTICULAR PURPOSE NOR ANY OTHER EXPRESS OR IMPLIED WARRANTY EXCEPT AS WARRANTED BY THIS LABEL.**

To the extent permitted by applicable law, in no event shall SYNGENTA be liable for any incidental, consequential or special damages resulting from the use or handling of this product. **TO THE EXTENT PERMITTED BY APPLICABLE LAW, THE EXCLUSIVE REMEDY OF THE USER OR BUYER, AND THE EXCLUSIVE LIABILITY OF SYNGENTA AND SELLER FOR ANY AND ALL CLAIMS, LOSSES, INJURIES OR DAMAGES (INCLUDING CLAIMS BASED ON BREACH OF WARRANTY, CONTRACT, NEGLIGENCE, TORT, STRICT LIABILITY OR OTHERWISE) RESULTING FROM THE USE OR HANDLING OF THIS PRODUCT, SHALL BE THE RETURN OF THE PURCHASE PRICE OF THE PRODUCT OR, AT THE ELECTION OF SYNGENTA OR SELLER, THE REPLACEMENT OF THE PRODUCT.**

SYNGENTA and Seller offer this product, and Buyer and User accept it, subject to the foregoing Conditions of Sale and Limitation of Warranty and Liability, which may not be modified except by written agreement signed by a duly authorized representative of SYNGENTA.
