

# ROACH AND ANT TOXICANT

U. S. D. A. Registration No. 106-15

## FOR RESIDUAL AND SURFACE TREATMENT

### DIRECTIONS

**For Roaches, Waterbugs, Ants, Silverfish, Crickets and Scorpions:** apply as a coarse wet spray or with a paint brush to cracks, crevices, baseboards, moldings, behind and under appliances and cabinets, and other areas where these insects congregate. Use approximately 1 gallon for each 1000 sq. ft. Repeat treatment as necessary to maintain effective control.

**For control of Flies and Mosquitoes,** spray walls and surfaces around doors and windows, supporting posts, beams, and platforms. Treat garbage and refuse areas. Repeat as necessary.

**For control of Carpet Beetles,** treat as for roaches, but in addition, spray cracks and under carpeting where these insects may be found.

**For Wasps,** spray nests after dusk when all have returned to the nest.

Intended for Commercial and Industrial Use Only. Not for Home Use.

Manufactured and Sold by

## BRULIN & COMPANY, INC.

Westwood, New Jersey 07675

Richmond, California 94804
