Brulin & Company, Inc.
P.O. Box 270B
Indianapolis, IN 46206

Attention: Shirley Russell
Technical Coordinator

Gentlemen:

Subject: Brulin's Disinfectant Cleaner #6
EPA Registration No. 106-65
Brulin CDQ
EPA Registration No. 106-44 ✓

The labeling submitted for the above-named products in compliance with PR Notices 83-3 and 84-1 are acceptable in satisfying our requirements in that regard.

Please note that the subheading "General Classification" is no longer required and should therefore be deleted from the right panel of both products.

Stamped, edited copies of the draft labels for both products are enclosed for your records.

Sincerely yours,

Jeff Kempter
Product Manager (32)
Disinfectants Branch
Registration Division (TS-767C)

KEEP OUT OF REACH OF CHILDREN

DANGER

STATEMENT OF PRACTICAL TREATMENT

In case of contact, immediately flush eyes or skin with plenty of water for at least 15 minutes. For eyes, call a physician. Remove and wash contaminated clothing before reuse.

If swallowed, drink promptly a large quantity of milk, egg whites, gelatin solution; or if these are not available, drink large quantities of water. Avoid alcohol. Call a physician immediately.

NOTE TO PHYSICIAN: Probable mucosal damage may contraindicate the use of gastric lavage. Measures against circulatory shock, respiratory depression, and convulsion may be needed.

PRECAUTIONARY STATEMENTS
HAZARDS TO HUMANS AND DOMESTIC ANIMALS

DANGER

(A) Keep out of reach of children. Corrosive. Causes severe eye and skin damage. Do not get in eyes, or skin, or on clothing. Wear goggles or face shield and rubber gloves when handling. Harmful or fatal if swallowed or absorbed through the skin. Avoid contamination of food.

DIRECTIONS FOR USE

(B) It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.

STORAGE AND DISPOSAL

This product must be kept under locked storage sufficient to make it inaccessible to children or persons unfamiliar with its proper use.

- * Do not contaminate water, food, or feed by storage or disposal.
- * Open dumping is prohibited.
- * Do not reuse empty container.
- * Store in a dry place no lower in temperature than 50°F, or higher than 120°F.

PESTICIDE DISPOSAL

(C) Pesticide wastes are acutely hazardous. Improper disposal of excess pesticide, spray mixture or rinsate is a violation of Federal Law. If these wastes cannot be disposed of by use according to label instruction, contact your State Pesticide or Environmental Control Agency, or the Hazardous Waste representative at the nearest EPA Regional Office for guidance.

CONTAINER DISPOSAL

PLASTIC CONTAINERS

Triple rinse (or equivalent). Then offer for recycling or reconditioning, or puncture and dispose of in a sanitary landfill, or incineration, or if allowed by state and local authorities, by burning. If burned, stay out of smoke.

METAL CONTAINERS

Triple rinse (or equivalent). Then offer for recycling or reconditioning, or puncture and dispose of in a sanitary landfill, or by other procedures approved by state and local authorities.

(3) RIGHT PANEL

(A) The outstanding action of CDQ is due to a combination of quaternary ammonium disinfectant, a biodegradable detergent and synergizing builders.

(B) DIRECTIONS FOR USE

(C) GENERAL CLASSIFICATION

(C) Brulin's CDQ is a concentrate and must be diluted before use. For normal cleaning and disinfecting, use 2 to 4 ounces per gallon of water. Floors should be mopped with this solution, using only clean mops. Other hard surfaces: wipe with clean rags, or use hand scrub brush. Wear rubber or plastic gloves while hand scrubbing and rinsing.

- (D) * Use at 4 oz. per gallon to kill Ps. aeruginosa.
* Use at 2 oz. per gallon to kill S. aureus and S. choleraesuis.

(E) Outstanding rinsability, moderate foam height and synergized cleaning make CDQ outstanding for most washable surfaces including composition, terrazzo and marble floors; glass and metal equipment, and painted and varnished surfaces; vinyl and leather upholstery. Removes heavy soils and even strips wax from floors.
