ROACH BAIT

Rawleigh's ready-to-use "Crystallite" bait is as attractive to roaches as their normal food sources—it kills them almost immediately after they feed. Its killing power remains effective for an extended period of time.

DIRECTIONS FOR USE

For Use in Homes, Apartment Buildings, Stores, Restaurants, and Warehouses.

Apply bait lightly to floors near baseboards, in closets, under sinks, and in refrigerators, and in other areas where roaches may hide. Use approximately 1/2 cup of bait per 1000 square feet of floor space. Do not allow bait to be disturbed by other household members.

CAUTION

Do not use in areas where children or pets are present. Do not use in areas where food is prepared or served. Do not use in areas where food is stored. Do not use in areas where food is consumed. Do not use in areas where food is prepared or served. Do not use in areas where food is stored. Do not use in areas where food is consumed.
