Ms. Cindy Schumpert
Mr. Groom Pet Grooming Products
P.O. Box 652
267 Columbia Avenue
Chapin, SC 29036

Dear Ms. Schumpert:

Subject: Amendment - Updated Labeling
Mr. Groom Flea & Tick Shampoo
EPA Registration No. 108-52
Your Submission Received by EPA
on October 28, 1993

The amended labeling referred to above, submitted in connection with the Federal Insecticide, Fungicide, Rodenticide Act, as amended, is acceptable, provided that you:

1. According to our records, the subject product was accepted on July 13, 1971 under the brand name "Flea & Tick Shampoo by Mr. Groom." Your proposed amended label contains the product brand name "Mr. Groom Flea & Tick Shampoo." If it is your intention to change the subject product's brand name as indicated on the submitted labeling, an amended application (EPA Form 8570-1 (Rev. 12-90)), must be submitted, indicating your desire to change the product's brand name as shown on the amended labeling. Otherwise, the label must reflect the accepted product's brand name.
2. Based on the current Federal Regulations for pesticide labeling, the following comments apply:
 - a. Delete the wording Special Pesticide Formula. Based on EPA records, the formulation in this product is no different from other similar/identical EPA registered products.
 - b. The street address must be included in the company's address.

- c. The ingredients statement is normally required on the front panel immediately below the product name.
- d. In regard to the child signal word located on the front panel, add the statement, See Side Panel For Additional Precautionary Statements.
- e. A statement of practical treatment must appear on the label of pesticide products in toxicity Category III. Refer to 40 CFR 156.10(h)(1)(iii). This statement must appear under the subheading "STATEMENT OF PRACTICAL TREATMENT."
- f. On the side/back panel precautionary labeling, the precautionary statement or a similar statement listed below must be added to the labeling:

PRECAUTIONARY STATEMENT
HAZARDOUS TO HUMANS AND DOMESTIC ANIMALS
CAUTION

Harmful if swallowed. Avoid contact with skin, eyes or clothing. Do not contaminate food or foodstuffs with this solution. Avoid contact with animal's eyes.

- g. The following statement must be added above the directions:

DIRECTIONS FOR USE

It is a violation of federal law to use this product in a manner inconsistent with its labeling.

- h. The labeling must specify the intended sites. For example, use on dogs, cats, puppies, kittens, etc. Depending upon your site(s), an additional precautionary warning may be necessary.
- i. Since this product is being used outside, the following environmental hazard statement is required:

ENVIRONMENTAL HAZARDS

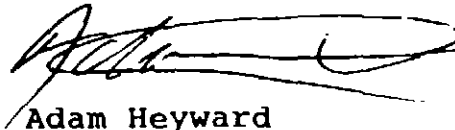

This product is toxic to aquatic organisms. Do not apply directly to water. Do not contaminate water when disposing of equipment washwaters.

For specific requirements and policies for pesticide labels and labeling, refer to 40 CFR 156.10. In addition, I am enclosing a sample label format for your information. If you have any questions, please do not hesitate to call me at (703) 305-6502. Please include a cover letter with your resubmission.

3. Submit three (3) copies of your final printed labeling before you release the product for shipment.

A stamped copy of the label is enclosed for your records.

Sincerely,

Adam Heyward
Acting Product Manager (10)
Insecticide-Rodenticide Branch
Registration Division (7505C)

SPECIAL PESTICIDE FORMULA

Eliminates the need for a pesticide dip before bathing.

To open cap, use fingernail or coin to pull back and push down rear-most ridge on spout. Push spout down following use.

Wet coat thoroughly with warm water. Apply Mr. Groom from the back of the head and work to tail. Work lather deep into the coat. Allow to sit for 3 to 4 minutes. Add more water, and rework lather, rinse with clear water.

ACTIVE INGREDIENTS:

*Piperonyl butoxide, technical 1.000%
Pyrethrins 0.100%

INERT INGREDIENTS 98.900%

*Equivalent to 0.800% of (butylcarbityl) (6 propylpiperonyl) ether and to 0.200% of related compounds.

STORAGE & DISPOSAL

Store in Secure Area. Do not reuse container. Rinse thoroughly before discarding in trash.

E.P.A. No. 108-52 - E.P.A. EST. NO. 334-GA-1
