EVERGREEN  
**CUTTER**  
insect repellent spray

Cutter Insect Repellent Spray is fresh smelling, not greasy, and has a high level of active ingredients. These ingredients combine to form an effective brand of insect repellent for a wide range of outdoor uses.

**HOLD UPRIGHT WHEN SPRAYING**

**DIRECTIONS:** Hold can 6 to 8 inches from skin or clothing while spraying, keeping nozzle up and pointed away from face. Slightly massage skin or clothing with slow sweeping motion. Saturation is unnecessary. Apply on face by first spraying small amounts in palm of hand and spreading on face and neck. Keep away from eyes, lips, eyebrows and prevent children from rubbing eyes if hands are treated with spray to repel chiggers, ticks, and fleas; apply to tops of shoes and socks and around all openings in clothing. Repels ticks on exposed surfaces. Will not damage nylon, cotton, wool. Apply this product only as specified on this label.

**PHYSICAL OR CHEMICAL HAZARDS:** Flammable! Contents under pressure. Do not use near fire, sparks or flame. Do not puncture or incinerate container. Exposure to temperatures above 130°F may cause bursting. Do not expose treated skin or clothes to fire, sparks or flame. For external use only. Avoid contact with eyes and lips. Do not apply to synthetic fabrics other than nylon. May damage finishes, plastics, painted and varnished surfaces. May cause skin reactions in rare cases.

**DISPOSAL:** Do not reuse empty container. Wrap can in newspaper and put in trash.

**Active Ingredients, 32%:**  
N-Dimethyl meta-toluamide 17%  
Other isomers 0.9%  
Dimethyl Phthalate 1.2%  
Di-n-propyl isocinchonaquine dicarbamate 1%  
Inert Ingredients 68%
