Attention: Blaine H. Byers

Gentlemen:

Subject: Cutter Evergreen Insect Repellent Cream Formulation
EPA Registration No. 121-32
Your Application Dated July 6, 1990

The proposed amendment to the registration of the product cited above under the Federal Insecticide, Fungicide, and Rodenticide Act removing the active ingredient, MGK R-11, is acceptable subject to the comments listed below. A stamped copy of the label is enclosed for your records.

1. Provide the chemical identity of the perfume, Fragrance N&R 78041. Submit a Material Safety Data Sheet and Chemical Abstracts Service (CAS) Number. All chemical components of the perfume must be identified by CAS Numbers and percent in the mixture.
2. The Active Ingredient and Inert Ingredient statements along with the individual active ingredients should be aligned to the same margin.
