Dear Blaine Byers

Subject: Cutter Insect Repellent Spray
EPA Reg. No. 121-33
Application dated February 16, 1990

The proposed amendment to the registration of the product cited above under the Federal Insecticide Fungicide and Rodenticide Act removing MGK R-11 from the formulation is acceptable subject to the comments listed below. A stamped copy of the label is enclosed for your records.

- 1) Submit the flash point of the product with the propellant. The flash point reported exceeds the one expected for this product. Please check and resubmit. Mixtures marketed under pressure, including those containing [REDACTED] are subject in their entirety to tests indicated in 40 CFR Sec. 156.10(h)(2)(ii) of the maxi-package. (Flash points for pressurized liquids are conveniently measured after collecting the expelled liquid from the container in an open cup chilled with dry ice. See [REDACTED] Guide, CSMA.) In lieu of this, change "Flammable" to read "Extremely Flammable" in the Physical and Chemical Hazards statement.
- 2) Delete the percentage for total active ingredient (26%) from the label ingredients statement.

NOW... PROTECTION THAT LASTS AND LASTS WITHOUT UNPLEASANT SCENT

Cutter

provides many hours of protection for the whole family from mosquitoes, gnats, biting flies. Also repels ticks, chiggers, fleas. Cutter Unscented is not greasy, and ideal for those who dislike strong repellent odor.

This aerosol spray allows you to hold the can and spray at any angle... even upside down... to cover ankles, legs, even your back.

PRECAUTIONARY STATEMENTS

WARNING: HAZARDS TO HUMANS For external use only. May cause eye injury. Do not get in eyes or mouth. Harmful if swallowed. Avoid breathing spray mist. Avoid contact with lips or open cuts. Do not apply to excessively sunburned skin. Do not expose treated skin or clothing to fire, sparks or flame until liquid has evaporated.

PHYSICAL/CHEMICAL HAZARDS: FLAMMABLE Do not use or store near heat sources, sparks or open flame. Contents under pressure. Do not puncture or incinerate container. Exposure to temperatures above 130°F may cause bursting.

STATEMENTS OF PRACTICAL TREATMENT

IF SWALLOWED Call a physician or Poison Control Center. Drink 1 or 2 glasses of water and induce vomiting by touching back of throat with finger. Do not induce vomiting or give anything by mouth to an unconscious person.

ON SKIN May cause skin reactions in rare cases. If so wash with soap and water. Get medical attention if irritation persists.

IN EYES Flush with plenty of water. Get medical attention.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

Hold unit 6-to-8 inches from skin or clothing while spraying, keeping nozzle pointed away from face. Slightly moisten skin or clothing with a slow sweeping motion. Frequent reapplication and saturation is unnecessary. Apply on face by first spraying small amounts in palm of hand and spreading on face and neck. Do not apply to the hands of young children. To repel ticks, chiggers, and fleas, spray pant cuffs, socks and around openings in outer clothing. Will not damage nylon, cotton, wool. May damage some synthetic fabrics, plastic, watch crystals, leather, painted and varnished surfaces.

DISPOSAL Do not reuse empty container. Discard in trash. Do not puncture or incinerate.
