## LASER Flea Killer

PLEASANT SCENT. PROTECTS FAMILY AND PETS FROM FLEAS. Controls reinfestation when used regularly. Non-staining formula, safe on carpets, upholstery. Maintains its killing power, even in humid conditions. With a new combination of ingredients. Only LASER® has CYLATHRIN®

**PRECAUTIONARY STATEMENTS:**  
**CAUTION: HAZARDS TO HUMANS AND DOMESTIC ANIMALS:** Harmful if absorbed through the skin. Avoid contact with the skin, eyes or clothing. Wash thoroughly with soap and water after handling.

**STATEMENTS OF PRACTICAL TREATMENT:**  
**IF ON SKIN:** Wash with plenty of soap and water. Get medical attention if irritation persists.  
**IF SWALLOWED:** Call a Physician or Poison Control Center. **NOTES TO PHYSICIAN:** If symptoms of cholinesterase inhibition occur, atropine is antidotal. Inducing vomiting as first aid for this product may result in increased risk of chemical pneumonia or pulmonary edema caused by aspiration of the hydrocarbon solvent. Vomiting should be induced only under professional supervision.

**PHYSICAL/CHEMICAL HAZARDS: FLAMMABLE:** Do not use or store near heat sources, sparks or open flame. Do not use in the vicinity of pilot lights. Contents under pressure. Do not puncture or incinerate container. Exposure to temperatures above 130°F may cause bursting.

**DIRECTIONS FOR USE:**  
 It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.

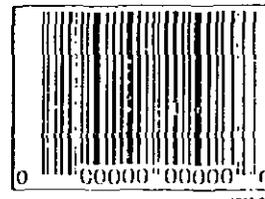

**USE ONLY AS A SPOT SPRAY. DO NOT USE AS A SPACE SPRAY.** Shake well before using. Hold can about two feet from surface to be sprayed. Spray with a slow sweeping action to localized areas in carpeting, rugs, creases and upholstered surfaces of furniture. Be sure to treat pet's bedding as fleas abound here. **DO NOT USE** in food processing plants, restaurants or other areas where food is commercially prepared or processed. **DO NOT USE** in serving areas while food is exposed. **REMOVE** pets and tightly **COVER** or remove fish bowls and aquariums. **DO NOT TREAT PETS WITH THIS PRODUCT.** Treat pets with a product registered for animal application to control the source of flea and tick infestation.

**BEFORE USING** near appliances with pilot lights, be sure to extinguish pilot lights. **TURN OFF** electrical equipment in area being treated. **DO NOT** smoke while using.

Keep children and pets off treated surfaces until dry. Remove and destroy treated pet's bedding. Replace bedding with clean or new material.

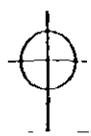

**KILLS FLEAS.** Also kills roaches, crickets, ticks, spiders, ants, flies and other household insects.

**DISPOSAL:** Do not reuse empty container. Discard in trash. Do not incinerate or puncture.
