75-767  
Washington, DC 20460

**NOTE:** Changes in labeling formula differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above U.S. EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby Registered/Reregistered under the Federal Insecticide, Fungicide, and Rodenticide Act.

A copy of the labeling accepted in connection with this Registration/Reregistration is returned herewith.

Registration is in no way to be construed as an indorsement or approval of this product by this Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

The pesticide in this registration is preserved under the provisions of section 3(c)(7)(A) of the Act.

1. Data requirements required for registration of your product under 40 CFR 155.103(c)(5) or 4(a) when the Agency requires registrants to submit data to submit such data.

2. Data requirements listed below:

a. Labeling: "EPA Registration No. 121-46."

b. Stability study: The registrant shall submit a stability study of the active ingredient in the formulation. The study shall include data on the stability of the active ingredient in the formulation under conditions of use. The study shall include data on the stability of the active ingredient in the formulation under conditions of use.

c. Data on the stability of your active ingredient in the formulation under conditions of use. The study shall include data on the stability of the active ingredient in the formulation under conditions of use.

ATTACHMENT IS APPLICABLE

SIGNATURE OF APPROVING OFFICIAL

DATE

- d. Change the signal word from "Warning" to "Caution."
3. Submit five (5) copies of your final printed labeling before you release the product for shipment. Refer to the A-79 enclosure for a further description of final printed labeling.

If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA section 6(e). Your release for shipment of the product constitutes acceptance of these conditions.

A stamped copy of the label is enclosed for your records.

## BACK PANEL

Cutter provides many hours of protection for the whole family from mosquitoes, gnats, biting flies. Also repels ticks, chiggers, fleas. Cutter Evergreen is not greasy, and offers a fresh, evergreen scent for those who dislike repellent odor.

This aerosol spray allows you to hold the can and spray at any angle . . . even upside down . . . to cover ankles, legs, even your back.

### **PRECAUTIONARY STATEMENTS**

**WARNING: HAZARDS TO HUMANS.** For external use only. May cause eye injury. Do not get in eyes or mouth. Harmful if swallowed. Avoid breathing spray mist. Avoid contact with lips or open cuts. Do not apply to excessively sunburned skin. Do not expose treated skin or clothing to fire, sparks or flame until liquid has evaporated.

**PHYSICAL AND CHEMICAL HAZARDS: EXTREMELY FLAMMABLE.** Contents under pressure. Do not use or store near fire, sparks, or heated surfaces. Do not puncture or incinerate container. Exposure to temperatures above 130°F may cause bursting.

### **STATEMENTS OF PRACTICAL TREATMENT:**

**IF SWALLOWED:** Call a physician or Poison Control Center. Get medical attention.

**IF ON SKIN:** May cause skin reactions in rare cases. If so, wash with soap and water. Get medical attention if irritation persists.

**IF IN EYES:** Flush with plenty of water. Get medical attention.

### **DIRECTIONS FOR USE:**

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

Hold unit 6-to-8 inches from skin or clothing while spraying, keeping nozzle pointed away from face. Slightly moisten skin or clothing with a slow sweeping motion. Frequent reapplication and saturation is unnecessary. Apply on face by first spraying small amounts in palm of hand and spreading on face and neck. Do not apply to the hands or young children. For extra protection from crawling ticks, chiggers and fleas, use extra spray along all openings of clothing, such as neck band, waist band, pant and sleeve cuffs, sock tops and other areas where these insects may crawl under clothing. Will not damage cotton, denim, wool, nylon or Orlon. Do not apply on or near synthetic fabrics such as Rayon, Spandex or Dynel, leather, plastic watch crystals and painted or varnished surfaces.

**DISPOSAL:** Do not reuse empty container. Wrap container, and discard in trash. Do not puncture or incinerate.
