Subject: Label Amendment – Adding Zika claims – repels mosquitoes that may carry or transmit Chikungunya, Zika, Dengue, & West Nile viruses
Product Name: Cutter Insect Repellent #10TL
EPA Registration Number: 121-56
Application Date: 2/22/16
Decision Number: 514509

Dear Ms. Goldberg:

The amended label referred to above, submitted in connection with registration under the Federal Insecticide, Fungicide and Rodenticide Act, as amended, is acceptable. This approval does not affect any conditions that were previously imposed on this registration. You continue to be subject to existing conditions on your registration and any deadlines connected with them.

A stamped copy of your labeling is enclosed for your records. This labeling supersedes all previously accepted labeling. You must submit one copy of the final printed labeling before you release the product for shipment with the new labeling. In accordance with 40 CFR 152.130(c), you may distribute or sell this product under the previously approved labeling for 18 months from the date of this letter. After 18 months, you may only distribute or sell this product if it bears this new revised labeling or subsequently approved labeling. “To distribute or sell” is defined under FIFRA section 2(gg) and its implementing regulation at 40 CFR 152.3.

Should you wish to add/retain a reference to the company’s website on your label, then please be aware that the website becomes labeling under the Federal Insecticide Fungicide and Rodenticide Act and is subject to review by the Agency. If the website is false or misleading, the product would be misbranded and unlawful to sell or distribute under FIFRA section 12(a)(1)(E). 40 CFR 156.10(a)(5) list examples of statements EPA may consider false or misleading. In addition, regardless of whether a website is referenced on your product’s label, claims made on the website may not substantially differ from those claims approved through the registration process. Therefore, should the Agency find or if it is brought to our attention that a website contains false or misleading statements or claims substantially differing from the EPA approved registration, the website will be referred to the EPA’s Office of Enforcement and Compliance.

Your release for shipment of the product constitutes acceptance of these conditions. If these conditions are not complied with, the registration will be subject to cancellation in accordance

Decision No. 514509

with FIFRA section 6. If you have any questions, please contact Marianne Lewis by phone at (703) 308-8043 or via email at lewis.marianne@epa.gov.

Sincerely,

A handwritten signature in black ink, appearing to read 'J. Urbanski Saunders', followed by the word 'for' written in a cursive style.

BACK PANEL

STOP . Read and follow all directions and precautions on this product label.

First Aid

IF IN EYES: Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing. Call a Poison Control Center or doctor for treatment advice. **IF**

SWALLOWED: Call a Poison Control Center or doctor immediately for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by a Poison Control Center or doctor. Do not give anything by mouth to an unconscious person.

IF YOU SUSPECT A REACTION TO THIS PRODUCT: Discontinue use. Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes. Call a Poison Control Center or doctor for treatment advice.

HOT LINE NUMBER: In case of an emergency call toll free [1-800-767-9927].

Have the product container or label with you when calling a Poison Control Center or doctor, or going for treatment.

NOTE TO PHYSICIAN: Probable mucosal damage may contraindicate the use of gastric lavage

PRECAUTIONARY STATEMENTS**Hazards to Humans and Domestic Animals**

WARNING: Causes substantial but temporary eye injury. Harmful if swallowed. Do not get in eyes. Use of this product may cause skin reactions in rare cases. Wash treated clothing before wearing it again. Wash hands before eating, drinking, chewing gum, using tobacco or using the toilet.

Physical/Chemical Hazards

COMBUSTIBLE Do not use or store near heat or open flame.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling. *For outdoor use only.*

Remove the lid from the container by pulling upward. Remove the protective foil. Lift flap on lid. Pull up the center towelette and thread the corner of towelette through the open flap in lid; **DO NOT** push finger through lid opening. Replace lid on container. Towelettes should be pulled at an angle to dispense one at a time. The lid should be tightly closed on container between uses to keep towelettes from drying out. [Optional directions for a single packet towelette: Tear open foil pack.] Unfold towelette and wipe evenly over exposed skin. Use just enough repellent to

cover exposed skin. Do not use under clothing. When using on face, apply sparingly, avoiding eyes. Do not apply near eyes and mouth. Apply sparingly around ears. Do not apply over cuts, wounds or irritated skin. Do not apply to sunburned skin. Do not apply to children's hands. Do not allow children to handle this product. [Frequent reapplication is un-necessary.] Avoid over-application of this product. After returning indoors, wash treated skin with soap and water and double-check yourself, other family members and pets for ticks. Wash treated clothing before wearing it again. Will not damage nylon, cotton, or wool. Wipe hands after application as product may damage some synthetic fabrics, plastics, watch crystals, leather, painted or varnished surfaces.

Optional Directions for Flexible (Pouch) Packaging

Tear open package [along the dotted line] beginning at the notch. Gently pull the top towelette out of the pouch. Towelettes should be pulled at an angle to dispense one at a time. Reseal the pouch to prevent the wipes from drying out between uses.

Unfold towelette and wipe evenly over exposed skin. Use just enough repellent to cover exposed skin. Do not use under clothing. When using on face, apply sparingly, avoiding eyes. Do not apply near eyes and mouth. Apply sparingly around ears. Do not apply over cuts, wounds or irritated skin. Do not apply to sunburned skin. Do not apply to children's hands. Do not allow children to handle this product. [Frequent reapplication is un-necessary.] Avoid over-application of this product. After returning indoors, wash treated skin with soap and water and double-check yourself, other family members and pets for ticks. Wash treated clothing before wearing it again. Will not damage nylon, cotton, or wool. Wipe hands after application as product may damage some synthetic fabrics, plastics, watch crystals, leather, painted or varnished surfaces.

STORAGE AND DISPOSAL

Do not contaminate water, food or feed by storage or disposal.

Pesticide Storage: Store the product in a cool, dry place, out of reach of children. **Container Disposal: If empty:** Nonrefillable container. Do not reuse or refill this container. Offer for recycling, if available. **If partly filled:** Call your local solid waste agency for disposal instructions. Never place unused product down any indoor or outdoor drain.

NOTICE: To the extent consistent with applicable law buyer assumes all responsibility for safety and use not in accordance with directions.
