Subject: Amended Label For:
Cutter Insect Repellent #30CTR014
EPA Registration No. 121-66
Application dated June 18, 2003

Dear Ms. Mah:

The proposed amendment to the registration for the product cited above under the Federal Insecticide, Fungicide And Rodenticide Act, as amended requesting a 10 hour repellency claim for mosquitoes is acceptable subject to the comments listed below:

1) This 10 hour claim applies only to mosquitoes. It does not support a repellency time for any other pest on the label.

2) Regarding the claim, "Repel mosquitoes that may carry West Nile virus", you must submit or cite data showing efficacy against *Culex* spp. Mosquitoes that transmit WNV to humans.

3) Any duration claims for other pests listed on the label must be supported by data showing efficacy against them.

A copy of the efficacy review is enclosed for your records. Refer to this review for details.

If you have have any questions please contact Joseph Tavano at (703) 305-6411.

A stamped copy of the amended label is enclosed for your records. Submit two copies of the final label before this product is released for shipment under this revised label.

Sincerely,

Richard Gebken
Acting Product Manager 10
Insecticide Branch
Registration Division(7505C)

BACK PANEL

STOP. Read and follow all directions and precautions on this product label.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling. *For outdoor use only.*

Do not spray in enclosed areas. **Shake well before using.** Hold can 6 - 8 inches from skin and clothing while spraying, keeping sprayer pointed away from face. Slightly moisten skin or clothing. Use just enough repellent to cover exposed skin and/or clothing. Do not use under clothing. [For maximum protection on skin, spread with hand after application.] Do not spray directly on face. Spray on hands first, and then apply sparingly to face, avoiding eyes. Do not apply near eyes and mouth. Apply sparingly around ears. Do not apply over cuts, wounds or irritated skin. Do not apply to sunburned skin. Do not apply to children's hands. Do not allow children to handle this product. When using on children, apply to your own hands and then put it on the child. [For extra protection from [crawling] ticks, chiggers and fleas, spray along all openings of clothing, such as neckband, waistband, pant and sleeve cuffs, sock tops and other areas where insects may crawl under clothing.] [Frequent reapplication or saturation is unnecessary.] Avoid over-application of this product. After returning indoors, wash treated skin with soap and water [and double-check yourself, other family members and pets for ticks.] Wash treated clothing before wearing it again. Will not damage nylon, cotton, or wool. May damage some synthetic fabrics, plastics, watch crystals, leather, painted or varnished surfaces. Use of this product may cause skin reactions in rare cases. If you suspect reaction to this product, discontinue use, wash treated skin and call your local Poison Control Center. If you go to a doctor, take this product with you.

STORAGE AND DISPOSAL

Pesticide Storage: Store the product in a cool and dry place. Keep out of reach of children. **Container Disposal:** Do Not Puncture or Incinerate! **If empty:** Place in trash or offer for recycling if available. **If partly filled:** Call your local solid waste agency or 1-800-CLEANUP for disposal instructions.

PRECAUTIONARY STATEMENTS**Hazards to Humans**

WARNING - Causes substantial but temporary eye injury. Harmful if swallowed. Do not get in eyes. Use of this product may cause skin reactions in rare cases. Wash treated clothing before wearing it again. Wash hands before eating, drinking, chewing gum, using tobacco or using the toilet.

First Aid

IF IN EYES: Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing. Call a Poison Control Center or doctor for treatment advice. **IF SWALLOWED:** Call a Poison

Control Center or doctor immediately for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by a Poison Control Center or doctor. Do not give anything by mouth to an unconscious person.

IF YOU SUSPECT A REACTION TO THIS PRODUCT: Discontinue use. Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes. Call a Poison Control Center or doctor for treatment advice.

HOT LINE NUMBER: In case of an emergency call toll free [1-800-767-9927].

Have the product container or label with you when calling a Poison Control Center or doctor, or going for treatment.

NOTE TO PHYSICIAN: Probable mucosal damage may contraindicate the use of gastric lavage.

Physical/Chemical Hazards

EXTREMELY FLAMMABLE. Contents under pressure. Keep away from heat, sparks and open flame. Do not puncture or incinerate container. Exposure to temperatures above 130E F may cause bursting.

NOTICE: Buyer assumes all responsibility for safety and use not in accordance with directions.
