	Term of Issuance: Conditional	
	Name of Pesticide Product: Cutter Insect Repellent #CTR014	
NOTICE OF PESTICIDE: <input type="checkbox"/> Registration <input checked="" type="checkbox"/> Reregistration (under FIFRA, as amended)		
Name and Address of Registrant (include ZIP Code): Spectrum, A Division of United Industries Corporation P.O. Box 142642 St. Louis, MO 63114-0042		
<p>Note: Changes in labeling differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above EPA registration number.</p> <p>On the basis of information furnished by the registrant, the above named pesticide is hereby registered/reregistered under the Federal Insecticide, Fungicide and Rodenticide Act.</p> <p>Registration is in no way to be construed as an endorsement or recommendation of this product by the Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.</p> <p>This action is taken under the authority of section 4(g)(2)(C) of the Federal Insecticide, Fungicide, and Rodenticide Act, as amended. Reregistration under this section does not eliminate the need for continual reassessment of pesticides. EPA may require submission of data at any time to maintain the registration of your product.</p> <p>Based on your response to the Reregistration Eligibility Document(s), EPA has reregistered the product listed above provided that the following change is made to the label.</p> <ol style="list-style-type: none"> 1. In accordance with PR Notice 2001-3: <ol style="list-style-type: none"> a. To be eligible for reregistration, the following additional statements/requirements are required for all aerosol and pump spray formulations. Therefore, you must add the following statement to the Directions for Use: "Do not spray in enclosed areas". <p style="text-align: right;">Continued on Page 2</p>		
Signature of Approving Official: <i>See Page 2</i>	Date: JAN 22 2008	

- b. Change the following statement "Do not apply over cuts, wounds, or irritated skin." to: "Never use repellents over cuts, wounds, or irritated skin."
 - c. Change the following statement "Avoid over application of this product." to: "Use just enough repellent to cover exposed skin and/or clothing. Heavy application and saturation is unnecessary for effectiveness; if biting insects do not respond to a thin film of repellent, apply a bit more."
 - d. Change the following statements: "After returning indoors, wash treated skin with soap and water. Wash treated clothing before wearing it again." to "After returning indoors, wash treated skin with soap and water or bathe. This is particularly important when repellents are used repeatedly in a day or on consecutive days. Also, wash treated clothing before wearing it again."
2. In accordance with PR Notice 2001-6:
Change the following statement within the Storage and Disposal Section as follows:
Do Not Puncture or Incinerate!
If partly filled: Call your local solid waste agency or [toll free number which meets the criteria in paragraph I.I.E.] for disposal instructions.
 3. To be eligible for reregistration, aerosol and pump spray formulations must be packaged in containers utilizing a concave trigger to help aim product or other comparable mechanism that will ensure that the product will not be inadvertently sprayed in he eyes.
 4. The Agency is in the process of developing and improving the current Efficacy Assessment Guidelines for repellent products. The Agency intends to defer the determination of any related efficacy data requirements supporting the claims that may appear on this label until these Efficacy Assessment Guidelines are complete. When the guidelines are finalized, the Agency expects to issue a Data Call-in to address the revised guidelines to all registrants with registrations for personal repellent products that have not previously submitted efficacy data sufficiently consistent with the revised guidelines.
 5. A copy of your label stamped "Accepted with Comments" is enclosed for your records.

Sincerely,

Richard J. Gebken

gnats, chiggers and biting flies.

For added protection from ticks, wear shoes or boots, tuck pants into socks. Wear long sleeved shirt tucked into pants, inspect often for ticks.]

STOP. Read and follow all directions and precautions on this product label.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling. For outdoor use only.

Do not spray in enclosed areas. Shake well before using. Hold can 6 - 8 inches from skin and clothing while spraying, keeping sprayer pointed away from face. Slightly moisten skin or clothing. Use just enough repellent to cover exposed skin and/or clothing. Do not use under clothing. [For maximum protection on skin, spread with hand after application.] Do not spray directly on face. Spray on hands first, and then apply sparingly to face, avoiding eyes. Do not apply near eyes and mouth. Apply sparingly around ears. Do not apply over cuts, wounds or irritated skin. Do not apply to sunburned skin. Do not apply to children's hands. Do not allow children to handle this product. When using on children, apply to your own hands and then put it on the child. [For extra protection from [crawling] ticks, chiggers and fleas, spray along all openings of clothing, such as neckband, waistband, pant and sleeve cuffs, sock tops and other areas where insects may crawl under clothing.] [Frequent reapplication or saturation is unnecessary.] Avoid over-application of this product. After returning indoors, wash treated skin with soap and water [and double-check yourself, other family members and pets for ticks.] Wash treated clothing before wearing it again. Will not damage nylon, cotton, or wool. May damage some synthetic fabrics, plastics, watch crystals, leather, painted or varnished surfaces. Use of this product may cause skin reactions in rare cases. If you suspect reaction to this product, discontinue use, wash treated skin and call your local Poison Control Center. If you go to a doctor, take this product with you.

DISPOSAL

Do not puncture or incinerate. Discard in trash.
