

statements EPA may consider false or misleading. In addition, regardless of whether a website is referenced on your product's label, claims made on the website may not substantially differ from those claims approved through the registration process. Therefore should the Agency find or if it is brought to our attention that a website contains false or misleading statements or claims substantially differing from the EPA approved registration, the website will be referred to the EPA's Office of Enforcement and Compliance Assurance. As an alternative, you may refer consumers to the company's phone number or email address.

- 4. The Agency is in the process of developing and improving the current Efficacy Assessment Guidelines for repellent products. The Agency intends to defer the determination of any related efficacy data requirements supporting the claims that may appear on this label until these Efficacy Assessment Guidelines are complete. When the guidelines are finalized, the Agency expects to issue a Data Call-In to address the revised guidelines to all registrants with registrations for personal repellent products that have not previously submitted efficacy data sufficiently consistent with the revised guidelines.

You must submit two copies of the final printed label revised in accordance with the comments listed above before the product is released for shipment under this label. If you have any questions, you may contact Carmen Rodia at (703)-306-0327 or rodia.carmen@epa.gov.

A copy of your label stamped "Accepted with Comments" is enclosed for your records.

STOP. Read and follow all directions and precautions on this product label.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling. *For outdoor use only.*

Do not spray in enclosed areas. Hold can 6 - 8 inches from skin and clothing while spraying, keeping sprayer pointed away from face. Slightly moisten skin. Use just enough repellent to cover exposed skin and/or clothing. Do not use under clothing. [For maximum protection on skin, spread with hand after application.] Do not spray directly onto face. Spray on hands first, and then apply sparingly to face, avoiding eyes. Do not apply near eyes and mouth. Apply sparingly around ears. Do not apply over cuts, wounds or irritated skin. Do not apply to sunburned skin. Do not apply to children's hands. Do not allow children to handle this product. When using on children, apply to your own hands and then put it on the child. [For extra protection from [crawling] ticks, chiggers and fleas, spray along all openings of clothing, such as neckband, waistband, pant and sleeve cuffs, sock tops and other areas where insects may crawl under clothing.] [Frequent reapplication or saturation is unnecessary.] Avoid over-application of this product. After returning indoors, wash treated skin with soap and water [and double-check yourself, other family members and pets for ticks.] Wash treated clothing before wearing it again. Will not damage nylon, cotton, or wool. May damage some synthetic fabrics, plastics, watch crystals, leather, painted or varnished surfaces. Use of this product may cause skin reactions in rare cases. If you suspect reaction to this product, discontinue use, wash treated skin and call your local Poison Control Center. If you go to a doctor, take this product with you.

STORAGE AND DISPOSAL

Pesticide Storage: Store the product in a cool and dry place. Keep out of reach of children. **Container Disposal:** Do Not Puncture or Incinerate! **If empty:** Place in trash or offer for recycling if available. **If partly filled:** Call your local solid waste agency or 1-800-CLEANUP for disposal instructions.

PRECAUTIONARY STATEMENTS

Hazards to Humans and Domestic Animals

CAUTION. Harmful if swallowed. Causes moderate eye irritation. Avoid contact with eyes. Use of this product may cause skin reactions in rare cases. Wash treated clothing before wearing it again. Wash hands before eating, drinking, chewing gum, using tobacco or using the toilet.

First Aid

If in Eyes: Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing. Call a Poison Control Center or doctor for treatment advice. **If Swallowed:** Call a Poison Control Center or doctor immediately for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by a Poison Control Center or doctor. Do not give anything by mouth to an unconscious person.

IF YOU SUSPECT A REACTION TO THIS PRODUCT: Discontinue use. Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes. Call a Poison Control Center or doctor for treatment advice.

HOTLINE NUMBER: In case of an emergency call toll free [1-800-767-9927].

Have the product container or label with you when calling a Poison Control Center or doctor, or going for treatment.

NOTE TO PHYSICIAN: Probable mucosal damage may contraindicate the use of gastric lavage

Physical or Chemical Hazards

FLAMMABLE. Contents under pressure. Keep away from heat, sparks, and open flame. Do not puncture or incinerate container. Exposure to temperatures above 130°F may cause bursting.

NOTICE: Buyer assumes all responsibility for safety and use not in accordance with directions.
