Subject: Non-PRIA (Pesticide Registration Improvement Act) Labeling Amendment - Update marketing claims to coincide with recent formulation changes and other minor changes
Product Name: CUTTER INSECT REPELLENT RDC008RP
Admin Number: 121-76
EPA Receipt Date: 10/28/2021
Action Case Number: 00476244

Dear Mike Sarli:

The amended labeling referred to above, submitted in connection with registration under the Federal Insecticide, Fungicide, and Rodenticide Act, as amended, is acceptable.

This approval does not affect any terms or conditions that were previously imposed on this registration. You continue to be subject to existing terms or conditions on your registration and any deadlines connected with them.

A stamped copy of your labeling is enclosed for your records. This labeling supersedes all previously accepted labeling. You must submit one (1) copy of the final printed labeling before you release this product for shipment with the new labeling. In accordance with 40 CFR § 152.130(c), you may distribute or sell this product under the previously approved labeling for 18 months from the date of this letter. After 18 months, you may only distribute or sell this product if it bears this new revised labeling or subsequently approved labeling. "To distribute or sell" is defined under FIFRA section 2(gg) and its implementing regulation at 40 CFR § 152.3.

Should you wish to add/retain a reference to your company's website on your label, then please be aware that the website becomes labeling under FIFRA and is subject to review by EPA. If the website is false or misleading, the product will be considered to be misbranded and sale or distribution of the product is unlawful under FIFRA section 12(a)(1)(E). 40 CFR § 156.10(a)(5) lists examples of statements the EPA may consider false or misleading. In addition, regardless of whether a website is referenced on your product's label, claims made on the website may not substantially differ from those claims approved through the registration process. Therefore, should the EPA find or if it is brought to our attention that a website contains statements or claims substantially differing from statements or claims made in connection with obtaining a FIFRA section 3 registration, the website will be referred to the EPA's Office of Enforcement and Compliance Assurance.

Your release for shipment of this product constitutes acceptance of these terms. If these terms are not complied with, this registration will be subject to cancellation in accordance with FIFRA section 6.

If you have questions, please contact Elizabeth Fertich via email at fertich.elizabeth@epa.gov.

Sincerely,

A handwritten signature in black ink, reading "Elizabeth Fertich" in a cursive script.

OPTIONAL MARKETING CLAIMS

OPTION 1

Cutter Insect Repellent RDC008RP is specially formulated to repel mosquitoes, ticks, biting flies, gnats, chiggers, fleas and no-see-ums. Cutter Insect Repellent RDC008RP offers pleasant protection that's never greasy or oily, and the fresh, clean scent won't leave you smelling like a bug repellent. Convenient pump spray for easy application to both skin and clothing.

OPTION 2

Cutter Insect Repellent RDC008RP clear spray provides hours of protection from mosquitoes and biting flies. Also repels ticks, chiggers, no-see-ums, gnats, and fleas. Cutter Insect Repellent RDC008RP offers pleasant protection: It has a fresh, clean scent and is not greasy. Convenient pump spray for easy application.

OPTION 3

Cutter Insect Repellent RDC008RP feels great on you because it contains skin conditioners like soothing aloe vera and vitamin E while it repels biting insects for hours. New clear spray is specially formulated to repel mosquitoes, ticks, biting flies, gnats, chiggers, fleas and no-see-ums. Cutter Insect Repellent RDC-008RP is never greasy or oily and has a fresh scent.

OPTION 4

Convenient, effective Cutter Insect Repellent RDC008RP is in a pump spray for easy application to both skin and clothing. It keeps you free from mosquitoes and other biting bugs.

STOP. Read and follow all directions and precautions on this product label.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling. *For outdoor use only.*

Do not spray in enclosed areas. Hold container upright about 6 - 8 inches from skin or clothing and spray with a slow sweeping motion. Slightly moisten skin. Use just enough repellent to cover exposed skin and/or clothing. Do not use under clothing. [For maximum protection on skin, spread with hand after application.] Do not spray directly onto face. Spray on hands first, and then apply sparingly to face, avoiding eyes. Do not apply near eyes and mouth. Apply sparingly around ears. Do not apply over cuts, wounds or irritated skin. Do not apply to sunburned skin. Do not apply to children's hands. Do not allow children to handle this product. When using on children, apply to your own hands and then put it on the child. [For extra protection from [crawling]

ticks, chiggers and fleas, spray along all openings of clothing, such as neckband, waistband, pant and sleeve cuffs, sock tops and other areas where insects may crawl under clothing.] [Frequent reapplication or saturation is unnecessary.] Avoid over-application of this product. After returning indoors, wash treated skin with soap and water [and double-check yourself, other family members and pets for ticks.] Wash treated clothing before wearing it again. Will not damage nylon, cotton, or wool. May damage some synthetic fabrics, plastics, watch crystals, leather, painted or varnished surfaces. Use of this product may cause skin reactions in rare cases. If you suspect a reaction to this product, discontinue use, wash treated skin with soap and water and call your local Poison Control Center. If you go to a doctor, take this product with you.

STORAGE AND DISPOSAL

Pesticide Storage: Store the product in a cool, dry place, out of reach of children. **Pesticide Disposal and Container Handling: If empty:** Nonrefillable container. Do not reuse or refill this container. Offer for recycling, if available. **If partly filled:** Call your local solid waste agency for disposal instructions. Never place unused product down any indoor or outdoor drain.

PRECAUTIONARY STATEMENTS

Hazards to Humans and Domestic Animals

WARNING. Causes substantial but temporary eye injury. Harmful if swallowed. Do not get in eyes. Use of this product may cause skin reactions in rare cases. Wash hands thoroughly with soap and water after handling and before eating, drinking, chewing gum, using tobacco or using the toilet. Remove and wash treated clothing before use.

First Aid

If in Eyes: Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing. Call a Poison Control Center or doctor for treatment advice.

If Swallowed: Call a Poison Control Center or doctor immediately for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by a Poison Control Center or doctor. Do not give anything by mouth to an unconscious person.

IF YOU SUSPECT A REACTION TO THIS PRODUCT: Discontinue use.

Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes. Call a Poison Control Center or doctor for treatment advice.

HOTLINE NUMBER: For additional information on this pesticide product, including health concerns, medical emergencies, or going for treatment, you may call [1-800-767-9927], twenty-four (24) hours per day, seven (7) days per week.

Have the product container or label with you when calling a Poison Control Center or doctor, or going for treatment.

NOTE TO PHYSICIAN: Probable mucosal damage may contraindicate the use of gastric lavage.

Physical or Chemical Hazards

COMBUSTIBLE - Do not use or store near heat or open flame.

NOTICE: To the extent consistent with applicable law buyer assumes all responsibility for safety and use not in accordance with directions.
