 St. Louis, MO 63114

Note: Changes in labeling differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby registered/reregistered under the Federal Insecticide, Fungicide and Rodenticide Act.

Registration is in no way to be construed as an endorsement or recommendation of this product by the Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

This product is conditionally registered in accordance with FIFRA sec. 3(c)(7)(A) provided that you:

1. Submit and/or cite all data required for registration/reregistration of your product under FIFRA sec. 3(c)(5) when the Agency requires all registrants of similar products to submit such data; and submit acceptable responses required for reregistration of your product under FIFRA section 4.
2. Make the following label changes:
 - a. Revise the EPA Registration Number to read, "EPA Reg. No. 121-77".
 - b. Add the following to the Directions for Use: "If you suspect that you or your child is reacting to this product, wash treated skin and call your local poison control center. If you go to a doctor, take this repellent with you."
 - c. Remove the term "new" from the label after one year of commercialization.
3. Submit a one-year storage stability study (Guideline 63-17) and corrosion characteristics study (Guideline 63-20) within eighteen (18) months of the issuance of this registration.

Signature of Approving Official:

Date:

RPK

12 JUN 1996

2/3

4. Submit two copies of the revised final printed label for the record.

If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA sec. 6(e). Your release for shipment of the product constitutes acceptance of these conditions.

A stamped copy of the label is enclosed for your records.

STOP. READ ALL DIRECTIONS BEFORE USING THIS PRODUCT.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling. Shake well before using. Hold can 6-8 inches from skin and clothing while spraying, keeping nozzle pointed away from face. Slightly moisten skin or clothing with a slow sweeping motion. Frequent reapplication or saturation is unnecessary. Apply on face by first spraying small amounts in palm of your hand and then spreading it on your face and neck. Do not apply on skin under clothing or to the hands of young children. Wash treated skin after returning indoors. Will

not damage nylon, cotton, or wool. May damage some synthetic fabrics, plastics, watch crystals, leather, painted and varnished surfaces. Wash treated clothing after use.

DISPOSAL: Discard can in trash. Do not puncture or incinerate.

PRECAUTIONARY STATEMENTS

Hazards to Humans

CAUTION: For external use only. May irritate eyes. Do not get in eyes or mouth. Harmful if swallowed. Avoid breathing spray mist or using in enclosed areas. Avoid contact with lips, open cuts or irritated skin. Do not apply to excessively sunburned skin. Do not expose treated skin or clothing to fire, sparks or flame until liquid has evaporated. Do not smoke during application.

Statements of Practical Treatment

If Swallowed: Call a Physician or Poison Control Center. Drink 1 or 2 glasses of water and induce vomiting by touching the back of throat with finger. **DO NOT** induce vomiting or give anything by mouth to an unconscious person. **If on Skin:** May cause skin reactions in rare cases. If so, wash with soap and water. Get medical attention if irritation persists. **If In Eyes:** Flush with plenty of water. Get medical attention.

Physical/Chemical Hazards

Contents under pressure. Do not use or store near heat or open flame. Do not puncture or incinerate container. Exposure to temperatures above 130 ° F may cause bursting.

NOTICE: Buyer assumes all responsibility for safety and use not in accordance with directions.
