**NEVER LEAVE ANY BURNING CANDLE UNATTENDED.**

**STOP. READ ENTIRE LABEL BEFORE USE.**

#### DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling. **DO NOT USE WATER TO EXTINGUISH.**

#### STORAGE AND DISPOSAL

Store in cool dry place. Do not reuse empty container. Wrap container and put in trash collection.

### OPTIONAL MARKETING INFORMATION FOR CUTTER

#### • Fresh Scent

#### **CITRONELLA – AN AMAZING DISCOVERY**

Centuries ago, natives of Indonesia discovered an amazing grass which, when burned, emitted a fragrance that enhanced the ambiance of the outdoors and also repelled insects. The oil from this grass, known as Citronella, is the basis for this new candle from Cutter.

#### **CUTTER CITRONELLA – AN AMAZING CANDLE**

Cutter Insect Repellent Icarus citronella candle not only repels insects, but also releases a pleasant fragrance and comes in an exclusive, handmade pot that adds a touch of the Southwest to your backyard barbeques, picnics and camping occasions.

Each Cutter Insect Repellent Icarus pot is unique in design and has been specially crafted to darken to a richer, earthier color as the candle burns.

To maximize the repellent barrier, use several Cutter Insect Repellent Icarus citronella candles to create perimeter protection against flying insects.

To protect heat sensitive surfaces, simply punch out the perforated circular pad and place under the pot.

See directions for use on bottom of candle.

**NOTICE: Buyer assumes all responsibility for safety and use not in accordance with directions.**
