

U.S. ENVIRONMENTAL PROTECTION AGENCY
Office of Pesticide Programs
Registration Division (H7505C)
401 M St., S.W.
Washington, D.C. 20460

EPA Reg. Number:
121-84

Date of Issuance:
SEP 21 1999

**NOTICE OF PESTICIDE
Registration**

Term of Issuance:
Conditional Registration

Name of Pesticide Product:
Cutter Insect Repellent Medusa

(under FIFRA, as amended)

Name and Address of Registrant (include ZIP Code):

**Kathie J. Tryson
Spectrum, Division of United Industries Corp
P.O. Box 15842
St. Louis, MO 63114**

Note: Changes in labeling differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby registered/reregistered under the Federal Insecticide, Fungicide and Rodenticide Act.

Registration is in no way to be construed as an endorsement or recommendation of this product by the Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

This product is conditionally registered in accordance with FIFRA sec. 3(c)(7)(A) provided that you:

1. Submit and/or cite all data required for registration of your product under FIFRA sec. 3(c)(5) when the Agency requires all registrants of similar products to submit such data; and submit acceptable responses required for reregistration of your product under FIFRA section 4.
2. Make the following label changes:
 - a. Revise the EPA Registration Number to read, EPA Reg. No.121-84
3. Submit two copies of the revised final printed label for the record.

If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA sec. 6(e). Your release for shipment of the product constitutes acceptance of these conditions.

A copy of the label stamped "Accepted with Comments" is enclosed for your records.

Sincerely,

Marion Johnson
Product Manager 10
Insecticide Branch
Registration Division (7505C)

[The Cutter Insect Repellent Medusa coil pot and candle kit is perfect for outdoor entertaining. Its attractive, contemporary appearance is designed to complement any outdoor décor. It can be used with Cutter Insect Repellent Icarus candles and Cutter Insect Repellent RDC031RN torches to create a protective barrier against biting insects. A coil protects an area up to 120 sq. ft. (10 ft. x 12 ft.)]

[The Cutter Insect Repellent Medusa's decorative coil pot and scented candle kit is an effective and convenient way to protect your family from biting insects. Its attractive, contemporary appearance is designed to complement any outdoor décor, and can be used with Cutter Insect Repellent Icarus candles and Cutter Insect Repellent RDC031RN torches. For best results, use several coil pots to create a barrier against biting insects.]

[For best results, create a [protective] barrier against biting insects. Create a barrier by placing coil pots every 8 to 10 feet, or by using coil pots with Cutter Insect Repellent Icarus candles and Cutter Insect Repellent RDC031RN torches.]

[Refill your Cutter Insect Repellent Medusa coil pot [and candle] with our no-mess, no-hassle Cutter refills. The Cutter Insect Repellent Medusa [coil and scented candle] refills make it easy to keep using your [decorative] coil pot throughout the season. The refill [kit] comes with 4 coils and one scented candle. Each coil protects up to 4 hours and our scented candle burns up to 16 hours.]

For outdoor use on patios and decks, porches, cabanas, campsites and other outdoor areas.

To create an insect barrier place a pot every 8 to 10 feet around the area [to be protected]. Do not use indoors or in enclosed areas.

This coil pot has been designed for use with Cutter mosquito coil and [scented] candle refills only. Cutter will not be held responsible for damage, injury or poor performance caused by use of other mosquito coils and/or scented candle refills.

STOP. READ ENTIRE LABEL BEFORE USE. DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling. *For outdoor use only.*

Use coil pot [holder] on a heat resistant surface away from anything flammable and out of the reach of children and pets. Cover exposed food to avoid contamination. Remove coil from wrapper. Place coil in pot [holder]. [Insert candle into center of pot [holder].] Light outer end of coil and let burn (flame) approximately ¼ inch or less. BLOW OUT FLAME, place [decorative] [protective] cover on pot, and allow the coil to smolder. Do not touch lit end of coil. [Light candle.] Keep coil [and candle] free of matches or other foreign matters.

One coil burns 4 hours [and the candle burns 16 hours] in calm air. For shorter periods of use, carefully extinguish coil [and/or candle,] and re-light when needed.

To extinguish the coil, carefully remove the smoldering coil from the pot [holder] and snuff it out by firmly pressing the glowing end into the bottom of the pot [holder]. Never use water to extinguish the coil.

NEVER LEAVE BURNING COIL [OR CANDLE] UNATTENDED. Do not use coil [or candle] to light other items.

IMPORTANT: TO REDUCE FIRE HAZARD AND TO AVOID OVERHEATING OF THE POT SURFACE – ALWAYS BLOW OUT FLAME AFTER LIGHTING COIL.

Storage and Disposal

STORAGE: Store in a dry place (preferably locked) inaccessible to children and pets and away from sources of heat or ignition.

DISPOSAL: Do not reuse empty carton. USED COIL – Sweep ashes into trash. UNUSED COILS – Wrap in newspaper and discard in trash.

PRECAUTIONARY STATEMENTS

Hazards to Humans and Domestic Animals

CAUTION: Harmful if inhaled. Harmful if absorbed through skin. Causes eye irritation. Avoid contact with skin, eyes or clothing. Wash thoroughly with soap and water after handling. Avoid breathing vapors. Remove contaminated clothing and

h b e

wash clothing before re-use.

First Aid

If Inhaled: Remove victim to fresh air. If not breathing, give artificial respiration, preferably mouth-to-mouth. Get medical attention. **If on Skin:** Wash skin with plenty of soap and water. Get medical attention if irritation persists. **If in Eyes:** Flush eyes with plenty of water. Call a physician if irritation persists.

Physical or Chemical Hazards

Use with caution to avoid fire hazard.

NOTICE: Buyer assumes all responsibility for safety and use not in accordance with directions.
