UNIT STATES ENVIRONMENTAL PROTECTIC AGENCY

AUG 04 2010

William H. Metzger
Spectrum, Division of United Industries
P.O. Box 142642
St. Louis, MO 63114-0642

Subject: Child Resistant Packaging Certification for 1/2 Gallon Container
Product Name: Cutter Insect Repellent Prometheus
EPA Reg. No: 121-85
Decision Number: 433600

Dear Mr. Metzger:

The amendment referred to above, submitted in connection with registration under FIFRA section 3(c)(7)(A), is acceptable provided that you:

1. Submit and/or cite all data required for registration/reregistration of your product under FIFRA section 3(c)(5) when the Agency requires all registrants of similar products to submit such data.
2. Submit five (5) copies of your final printed labeling before you release the product for shipment. Final printed labeling means the label or labeling of the product when distributed or sold. Clearly legible reproductions or photo reductions will be accepted for unusual labels, such as those silk-screened directly onto glass or metal containers or large bags or drum labels.

If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA section 6(e). Your release for shipment of the product bearing the amended labeling constitutes acceptance of these conditions. Should you have any questions regarding this action, you may contact Gina Casciano at (703) 605-0513 or via email at casciano.gina@epa.gov. A stamped copy of the label is enclosed for your records.

Sincerely,

Linda A. Hollis, Chief
Biochemical Pesticides Branch
Biopesticides and Pollution
Prevention Division (7511P)

The Cutter Insect Repellent Prometheus [disposable] [refill] [drop-in] [bottle] [canister] [cartridge] [system] makes it easy to keep using your torch throughout the season].

STOP. READ ENTIRE LABEL BEFORE USE [USING.]

FOR OUTDOOR USE ONLY. NEVER LEAVE ANY BURNING TORCH UNATTENDED. USE ONLY CUTTER INSECT REPELLENT PROMETHEUS [DISPOSABLE] [REFILLS] [DROP-IN] [CANISTERS] [CARTRIDGES] TO REFILL TORCH.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

HOW TO USE

Place torch away from other combustibles such as fabrics, dry vegetation, wooden structures, and fuels. To insert the torch into the ground, grasp the torch pole and firmly push tip of pole into the ground until secure. If the torch does not easily penetrate the ground, remove torch cradle. Using a wooden block to protect the end of the torch pole, gently hammer torch pole into the ground until secure. Do not hammer torch into the ground with torch cradle attached. This may weaken or damage the cradle. Replace torch cradle. Remove the child resistant snuffer cap from the [bottle] [canister] [cartridge] to expose the wick. Place the cap in slot on torch cradle. Light the wick. *Always replace the child resistant snuffer cap to extinguish torch and maintain child resistance.*

KEEP OUT OF REACH OF CHILDREN. NEVER LEAVE BURNING TORCHES UNATTENDED. USE ONLY CUTTER INSECT REPELLENT PROMETHEUS [DISPOSABLE] [REFILLS] [DROP-IN] [CANISTERS] [CARTRIDGES] TO REFILL TORCH.

STORAGE AND DISPOSAL

[Text only format may be used if space is small.]

Pesticide Storage: Store in cool dry place. **Container Disposal:** If empty: Nonrefillable container. Do not reuse or refill this container. Offer for recycling, if available. **If partly filled:** Call your local solid waste agency or 1-800-CLEANUP for disposal instructions. Never place unused product down any indoor or outdoor drain.

PRECAUTIONARY STATEMENTS**Hazards to Humans and Domestic Animals**

CAUTION. Harmful if swallowed. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum or using tobacco. Avoid contact with skin, eyes and clothing. Contains petroleum hydrocarbons. Do not take internally.

First Aid [Boxed & bulleted format will be used if space allows.]

If Swallowed: Call a Poison Control Center or doctor immediately for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by a Poison Control Center or doctor. Do not give anything by mouth to an unconscious person.

Have the product container or label with you when calling a Poison Control Center or doctor, or going for treatment.

Note to Physician: Contains petroleum distillate – vomiting may cause aspiration pneumonia.

Physical or Chemical Hazards

Combustible. Do not store near heat or open flame.

Environmental Hazards

To protect the environment, do not allow pesticide to enter or run off into storm drains, drainage ditches, gutters or surface waters. Drift and runoff may be hazardous to aquatic organisms in water adjacent to treated areas.

NOTICE: To the extent consistent with applicable law, buyer assumes all responsibility for safety and use not in accordance with directions.
