JUN 16 2004

NOTICE OF PESTICIDE:
 x Registration
 Reregistration

(under FIFRA, as amended)

Term of Issuance:
Conditional

Name of Pesticide Product:
Cutter Insect
Repellent 23T

Name and Address of Registrant (include ZIP Code):

Spectrum, A Div Of United Industries Corp.
PO Box 142642
St. Louis, MO 63114-0642

Note: Changes in labeling differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby registered/reregistered under the Federal Insecticide, Fungicide and Rodenticide Act.

Registration is in no way to be construed as an endorsement or recommendation of this product by the Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

This product is conditionally registered in accordance with FIFRA sec. 3(c)(7)(A) provided that you:

1. Submit and/or cite all data required for registration/reregistration of your product under FIFRA sec. 3(c)(5) when the Agency requires all registrants of similar products to submit such data; and submit acceptable responses required for reregistration of your product under FIFRA section 4.

2. Make the following label changes:

- a. Revise the EPA Registration Number to read, "EPA Reg. No.121-87".
- b. Delete the claim, ☒Repels biting insects for up to eight hours.☒.

Signature of Approving Official:

See page 2

Date:

June 16, 2004

3. Submit two (2) copies of the revised final printed label for the record.

4. Efficacy data will be required for this product. Once the Efficacy Guidelines are published, you will be notified of these requirements.

If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA sec. 6(e). Your release for shipment of the product constitutes acceptance of these conditions.

Copies of the Acute Toxicity, Efficacy and Product Chemistry reviews are enclosed for your files.

A stamped copy of the label is enclosed for your records.

Sincerely,

for Richard Gebken
Acting Product Manager 10
Insecticide Branch
Registration Division (7505C)

BACK PANEL

STOP. Read and follow all directions and precautions on this product label.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling. *For outdoor use only.*

OPTION A – MULTIPLE TOWELETTE PACKAGE

Remove the lid from the container by pulling upward. Remove the protective foil. Lift flap on lid. Pull up the center towelette and thread the corner of towelette through the open flap in lid; **DO NOT** push finger through lid opening. Replace lid on container. Towelettes should be pulled at an angle to dispense one at a time. The lid should be tightly closed on container between uses to keep towelettes from drying out. Unfold towelette and wipe evenly over exposed skin. Use just enough repellent to cover exposed skin. Do not use under clothing. When using on face, apply sparingly, avoiding eyes. Do not apply near eyes and mouth. Apply sparingly around ears. Do not apply over cuts, wounds or irritated skin. Do not apply to sunburned skin. Do not apply to children's hands. Do not allow children to handle this product. [Frequent reapplication is unnecessary.] Avoid over-application of this product. After returning indoors, wash treated skin with soap and water and double-check yourself, other family members and pets for ticks. Wash treated clothing before wearing it again. Will not damage nylon, cotton, or wool. Wipe hands after application as product may damage some synthetic fabrics, plastics, watch crystals, leather, painted or varnished surfaces. Use of this product may cause skin reactions in rare cases. If you suspect reaction to this product, discontinue use, wash treated skin and call your local Poison Control Center. If you go to a doctor, take this product with you.

OPTION B – SINGLE TOWELETTE PACKAGE

Tear open foil pouch. Unfold towelette and wipe evenly over exposed skin. Use just enough repellent to cover exposed skin. Do not use under clothing. When using on face, apply sparingly, avoiding eyes. Do not apply near eyes and mouth. Apply sparingly around ears. Do not apply over cuts, wounds or irritated skin. Do not apply to sunburned skin. Do not apply to children's hands. Do not allow children to handle this product. [Frequent reapplication is unnecessary.] Avoid over-application of this product. After returning indoors, wash treated skin with soap and water and

double-check yourself, other family members and pets for ticks. Wash treated clothing before wearing it again. Will not damage nylon, cotton, or wool. Wipe hands after application as product may damage some synthetic fabrics, plastics, watch crystals, leather, painted or varnished surfaces. Use of this product may cause skin reactions in rare cases. If you suspect reaction to this product, discontinue use, wash treated skin and call your local Poison Control Center. If you go to a doctor, take this product with you.

STORAGE AND DISPOSAL

Pesticide Storage: Store the product in a cool dry place. Keep out of reach of children. **Container Disposal: If empty:** Do not reuse this container. Place in trash or offer for recycling if available. **If partly filled:** Call your local solid waste agency or 1-800-CLEANUP for disposal instructions.

PRECAUTIONARY STATEMENTS

Hazards to Humans

CAUTION - Causes moderate eye irritation. Harmful if swallowed. Do not get in eyes. Use of this product may cause skin reactions in rare cases. Wash treated clothing before wearing it again. Wash hands before eating, drinking, chewing gum, using tobacco or using the toilet.

First Aid

IF IN EYES: Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing. Call a Poison Control Center or doctor for treatment advice. **IF SWALLOWED:** Call a Poison Control Center or doctor immediately for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by a Poison Control Center or doctor. Do not give anything by mouth to an unconscious person.

IF YOU SUSPECT A REACTION TO THIS PRODUCT: Discontinue use. Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes. Call a Poison Control Center or doctor for treatment advice.

HOT LINE NUMBER: In case of an emergency call toll free [1-800-767-9927].

Have the product container or label with you when calling a Poison Control Center or doctor, or going for treatment.

NOTE TO PHYSICIAN: Probable mucosal damage may contraindicate the use of gastric lavage

Physical/Chemical Hazards

COMBUSTIBLE Do not use or store near heat or open flame.

NOTICE: Buyer assumes all responsibility for safety and use not in accordance with directions.
