St. Louis, MO 63114-0642

Subject: Label Amendment – Adding Zika claims – repels mosquitoes that may carry or transmit Chikungunya, Zika, Dengue, & West Nile viruses  
Product Name: Cutter Insect Repellent 5KT  
EPA Registration Number: 121-90  
Application Date: 2/23/16  
Decision Number: 514505

Dear Ms. Goldberg:

The amended label referred to above, submitted in connection with registration under the Federal Insecticide, Fungicide and Rodenticide Act, as amended, is acceptable. This approval does not affect any conditions that were previously imposed on this registration. You continue to be subject to existing conditions on your registration and any deadlines connected with them.

A stamped copy of your labeling is enclosed for your records. This labeling supersedes all previously accepted labeling. You must submit one copy of the final printed labeling before you release the product for shipment with the new labeling. In accordance with 40 CFR 152.130(c), you may distribute or sell this product under the previously approved labeling for 18 months from the date of this letter. After 18 months, you may only distribute or sell this product if it bears this new revised labeling or subsequently approved labeling. "To distribute or sell" is defined under FIFRA section 2(gg) and its implementing regulation at 40 CFR 152.3.

Should you wish to add/retain a reference to the company's website on your label, then please be aware that the website becomes labeling under the Federal Insecticide Fungicide and Rodenticide Act and is subject to review by the Agency. If the website is false or misleading, the product would be misbranded and unlawful to sell or distribute under FIFRA section 12(a)(1)(E). 40 CFR 156.10(a)(5) list examples of statements EPA may consider false or misleading. In addition, regardless of whether a website is referenced on your product's label, claims made on the website may not substantially differ from those claims approved through the registration process. Therefore, should the Agency find or if it is brought to our attention that a website contains false or misleading statements or claims substantially differing from the EPA approved registration, the website will be referred to the EPA's Office of Enforcement and Compliance.

Your release for shipment of the product constitutes acceptance of these conditions. If these conditions are not complied with, the registration will be subject to cancellation in accordance

Decision No. 514505

with FIFRA section 6. If you have any questions, please contact Marianne Lewis by phone at (703) 308-8043 or via email at lewis.marianne@epa.gov.

Sincerely,

A handwritten signature in black ink, appearing to read 'J. Urbanski Saunders', with a stylized flourish at the end.

## OPTIONAL MARKETING TEXT

[Protection in an odorless formula that feels light and clean!]

[Cutter Insect Repellent 5KT contains Picaridin, which provides up to 8 hours [of] protection against mosquitoes [and up to 5 hours against ticks] [with a light, clean scent!]. This specially formulated repellent also contains Aloe Vera & Vitamin E, leaving your skin feeling soft and smooth. Convenient [towelette] [wipe] for easy application.]

[Cutter Insect Repellent 5KT with Picaridin is specially formulated for active lifestyles]. [Cutter Insect Repellent 5KT will not damage plastics or other synthetic materials.]

[Because Cutter Insect Repellent 5KT provides protection without the odor [or sticky feeling], you'll forget you're wearing it.

[Clean, Odorless, Effective. Great for everyone in the family]

Cutter Insect Repellent 5KT contains Picaridin, the active ingredient found in the best selling European insect repellent. This repellent provides insect protection without an unpleasant [chemical] odor or greasy skin feel.

[You can apply insect repellent without the smell and oily skin feel reminding you that you're wearing repellent. Cutter Insect Repellent 5KT provides effective insect protection while leaving your skin feeling smooth and smelling clean and fresh.]

[Cutter Insect Repellent 5KT provides up to 8 hours [of] protection against mosquitoes and up to 5 hours against ticks.]

[Cutter Insect Repellent 5KT with Picaridin is specially formulated for [fishermen, hunters and other Outdoorsmen] [active lifestyles]. [Cutter Insect Repellent 5KT will not damage plastics or other synthetic materials.]

[Because Cutter Insect Repellent 5KT provides protection without the odor, it is perfect for hunters. Formulated with Picaridin so it will not damage fishing lines or other synthetic materials.]

Back Panel**STOP. Read and follow all directions and precautions on this product label.****First Aid**

**if in Eyes:** Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing. Call a Poison Control Center or doctor for treatment advice.

Have the product container or label with you when calling a Poison Control Center or doctor, or going for treatment. **Hotline Number:** In case of an emergency call 1-800-767-9927.

**PRECAUTIONARY STATEMENTS****Hazards to Humans and Domestic Animals**

**CAUTION.** Causes moderate eye irritation. Avoid contact with eyes or clothing. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum, using tobacco or using the toilet. Use of this product may cause skin reactions in rare cases.

**Physical or Chemical Hazards**

**COMBUSTIBLE.** Do not use or store near heat or open flame.

**DIRECTIONS FOR USE**

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

[Directions for canister:]

Remove the lid from the container by pulling upward. Remove the protective foil. Lift flap on lid. Pull up the center [towelette][wipe] and thread the corner of [towelette][wipe] through the open flap in lid; **DO NOT** push finger through lid opening. Replace lid on container. [Towelettes][Wipes] should be pulled at an angle to dispense one at a time. The lid should be tightly closed on container between uses to keep [towelettes][wipes] from drying out. [Alternate directions for a single packet towelette: Tear open foil pack.] Unfold towelette and wipe evenly over exposed skin. Excessive amounts should be unnecessary. Do not apply over cuts, wounds, or irritated skin. Do not apply near eyes and mouth. Apply sparingly around ears. When using on children, apply to your own hands and then put it on the child. Use just enough repellent to cover exposed skin. Do not use under clothing. Avoid overapplication of this product. Do not apply more than three times per day. After returning indoors, wash treated skin with soap and water. Wash treated clothing before wearing it again.

WHEN USING PRODUCT ON CHILDREN: Do not apply to their hands. To apply to child's face and neck, wipe the product onto your hands and apply to the child. Take

care to avoid mouth and eyes and apply sparingly around their ears. Do not allow children to handle the product.

**Optional Directions for Flexible (Pouch) Packaging**

Tear open package [along the dotted line] beginning at the notch. Gently pull the top towelette out of the pouch. Towelettes should be pulled at an angle to dispense one at a time. Reseal the pouch to prevent the wipes from drying out between uses.

Unfold towelette and wipe evenly over exposed skin. Excessive amounts should be unnecessary. Do not apply over cuts, wounds, or irritated skin. Do not apply near eyes and mouth. Apply sparingly around ears. When using on children, apply to your own hands and then put it on the child. Use just enough repellent to cover exposed skin. Do not use under clothing. Avoid overapplication of this product. Do not apply more than three times per day. After returning indoors, wash treated skin with soap and water. Wash treated clothing before wearing it again.

WHEN USING PRODUCT ON CHILDREN: Do not apply to their hands. To apply to child's face and neck, wipe the product onto your hands and apply to the child. Take care to avoid mouth and eyes and apply sparingly around their ears. Do not allow children to handle the product.

**STORAGE AND DISPOSAL**

Do not contaminate water, food or feed by storage or disposal

**Pesticide Storage:** Store the product in a cool, dry place, out of reach of children. **Container Disposal: If empty:** Nonrefillable container. Do not reuse or refill this container. Offer for recycling, if available. **If partly filled:** Call your local solid waste agency for disposal instructions. Never place unused product down any indoor or outdoor drain.

**NOTICE: To the extent consistent with applicable law buyer assumes all responsibility for safety and use not in accordance with directions.**
