STOP. Read and follow all directions and precautions on this product label.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

[Directions for canister:]

Remove the lid from the container by pulling upward. Remove the protective foil. Lift flap on lid. Pull up the center [towelette][wipe] and thread the corner of [towelette][wipe] through the open flap in lid; **DO NOT** push finger through lid opening. Replace lid on container. [Towelettes][Wipes] should be pulled at an angle to dispense one at a time. The lid should be tightly closed on container between uses to keep [towelettes] [wipes] from drying out. [Alternate directions for a single packet towelette: Tear open foil pack.] Unfold towelette and wipe evenly over exposed skin. Excessive amounts or more frequent reapplication should be unnecessary. Do not apply over cuts, wounds, or irritated skin. Do not apply near eyes and mouth. Apply sparingly around ears. When using on children, apply to your own hands and then put it on the child. Use just enough repellent to cover exposed skin. Do not use under clothing. Avoid over application of this product. After returning indoors, wash treated skin with soap and water. Wash treated clothing before wearing it again.

WHEN USING PRODUCT ON CHILDREN: Do not apply to their hands. To apply to child's face and neck, wipe the product onto your hands and apply to the child. Take care to avoid mouth and eyes and apply sparingly around their ears. Do not allow children to handle the product.
