Morgan A. Shaffer  
Regulatory Specialist  
Spectrum, A Div. Of United Industries Corp.  
P.O. Box 142642  
St. Louis, MO 63114

**Subject:** Notification per PRN 98-10 – Updated copyright date, reformatted label, added reference for bilingual labeling, added optional marketing statements, added optional graphics, and changed pack size quantity.  
Product Name: Cutter Insect Repellent 12KT  
EPA Registration Number: 121-93  
Application Date: 1/17/24  
Case Number: 496874

Dear Morgan A. Shaffer:

The Agency is in receipt of your Application for Pesticide Notification under Pesticide Registration Notice (PRN) 98-10 for the above referenced product. The Registration Division (RD) has conducted a review of this request for its applicability under PRN 98-10 and finds that the action requested falls within the scope of PRN 98-10.

The label submitted with the application has been stamped "NOTIFICATION" and placed in our records.

Should you wish to add/retain a reference to the company's website on your label, then please be aware that the website becomes labeling under the Federal Insecticide, Fungicide, and Rodenticide Act (FIFRA) and is subject to review by the Agency. If the website is false or misleading, the product would be misbranded and unlawful to sell or distribute under FIFRA section 12(a)(1)(E). 40 CFR 156.10(a)(5) lists examples of statements EPA may consider false or misleading. In addition, regardless of whether a website is referenced on your product's label, claims made on the website may not substantially differ from those claims approved through the registration process. Therefore, should the Agency find or if it is brought to our attention that a website contains false or misleading statements or claims substantially differing from the EPA approved registration, the website will be referred to the EPA's Office of Enforcement and Compliance.

**STOP. Read and follow all directions and precautions on this product label.**

## DIRECTIONS FOR USE

**It is a violation of Federal law to use this product in a manner inconsistent with its labeling.**

[Directions for canister:]

Remove the lid from the container by pulling upward. Remove the protective foil. Lift flap on lid. Pull up the center [towelette[wipe]] and thread the corner of [towelette[wipe]] through the open flap in lid; **DO NOT** push finger through lid opening • Replace lid on container. [towelettes][Wipes] should be pulled at an angle to dispense one at a time. The lid should be tightly closed on container between uses to keep [towelettes][wipes] from drying out. [Alternate directions for a single packet towelette: Tear open foil pack.] Unfold towelette and wipe evenly over exposed skin. Excessive amounts or more frequent reapplication should be unnecessary. Do not apply over cuts, wounds, or irritated skin. Do not apply near eyes and mouth. Apply sparingly around ears. When using on children, apply to your own hands and then put it on the child. Use just enough repellent to cover exposed skin. Do not use under clothing. Avoid over application of this product. Do not apply more than three times per day. After returning indoors, wash treated skin with soap and water. Wash treated clothing **before wearing it again.**

WHEN USING PRODUCT ON CHILDREN: Do not apply to their hands. To apply to child's face and neck, wipe the product onto your hands and apply to the child. Take care to avoid mouth and eyes and apply

sparingly around their ears. Do not allow children to handle the product.

## STORAGE AND DISPOSAL

**Pesticide Storage:** Store the product in a cool, dry place, out of reach of children. **Container Disposal: If empty:** Nonrefillable container. Do not reuse or refill this container. Offer for recycling, if available. **If partly filled:** Call your local solid waste agency for disposal instructions. Never place unused product down any indoor or outdoor drain.

## PRECAUTIONARY STATEMENTS

Hazards to Humans and Domestic Animals

**WARNING.** Causes substantial but temporary eye irritation. Avoid contact with eyes or clothing. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum, using tobacco, or using the toilet. Use of this product may cause skin reactions in rare cases.

### First Aid

If in **Eyes:** Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses if present, after the first 5 minutes, then continue rinsing. Call a Poison Control Center or doctor for treatment advice.

Have the product container or label with you when calling a Poison Control Center or doctor or going for treatment.

**Hotline Number:** In case of an emergency call 1-800- 767-9927.

## Physical or Chemical Hazards

**COMBUSTIBLE.** Do not use or store near heat or open flame

**NOTICE: To the extent consistent with applicable law, buyer assumes all responsibility for safety and use not in accordance with directions.**
