OFFICE OF  
PREVENTION, PESTICIDES AND  
TOXIC SUBSTANCES

Ms. Kathy Tryson  
Director, Pesticide Regulatory Affairs  
Spectrum, Division of United Industries Corp.  
P.O. Box 142642  
St. Louis, MO 63114

APR 05 2006

Dear Ms. Tryson,

Subject: New Product Registration Application  
EPA Reg. No. 121-96  
Product Name: Cutter Insect repellent 40L  
Application date: August 1, 2005

The labeling referred to above, submitted in connection with registration under the Federal Insecticide, Fungicide and Rodenticide Act, is acceptable provided you:

1. Submit one-year Storage Stability (830.6317) and Corrosion Characteristics Studies (830.6320) by April 5, 2007. The Storage Stability Study should be conducted under warehouse conditions and the Agency recommends that observations be made at 0, 3, 6, 9, and 12 month intervals.

The Basic Confidential Statement of Formula (CSF) dated August 1, 2005 is acceptable and is the CSF of record.

A stamped copy of the label is enclosed for your records. If you have questions or concerns, please contact Kevin Sweeney at (703) 305-5063.

Sincerely,

Richard Gebken  
Product Manager 10  
Insecticide Branch  
Registration Division (7505C)

r, painted or varnished surfaces.  
rare cases. If you suspect reaction  
in and call your local Poison  
product with you.

Keep out of reach of children.  
s container. Place in trash or offer  
r local solid waste agency or 1-  
place unused product down any

ils  
eye injury. Do not get into eyes or  
product may cause skin reactions in  
chewing gum, using tobacco or  
d clothing before reuse.

gently with water for 15-20 minutes.  
5 minutes, then continue rinsing.  
ment advice. **If Swallowed:** Call a  
treatment advice. Have person sip  
e vomiting unless told to do so by a  
ything by mouth to an unconscious

**PRODUCT:** Discontinue use. Take off  
with plenty of water for 15-20 minutes.  
ment advice.
