U.S. ENVIRONMENTAL PROTECTION AGENCY
Office of Pesticide Programs
Registration Division (H7505C)
1200 Pennsylvania Avenue, N.W.
Washington, D.C. 20460

EPA Reg. Number:
121-99

Date of Issuance:
AUG 27 2008

Term of Issuance:
Conditional

Name of Pesticide Product:
Cutter Insect Repellent 20KP

NOTICE OF PESTICIDE:

- Registration
- Reregistration

(Under FIFRA as amended)

Name and Address of Registrant (include ZIP Code):

Spectrum
Division of United Industries
P.O. Box 142642
2150 Schuetz Road
St. Louis, MO 63146

Note: Changes in labeling differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby registered/reregistered under the Federal Insecticide, Fungicide and Rodenticide Act.

Registration is in no way to be construed as an endorsement or recommendation of this product by the Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

This product is conditionally registered in accordance with FIFRA sec. 3(c)(7)(A) provided:

1. You will submit and/or cite all data required for registration/reregistration of your product under FIFRA sec. 3(c)(5) when the Agency requires all registrants of similar products to submit such data; and submit acceptable responses required for reregistration of your product under FIFRA section 4.
2. You will make the following label changes before you release the product for shipment:
 - a) Revise the EPA Registration Number to read "EPA Reg. No.121-99".
3. Submit the results of one year storage stability (830.6317) and corrosion characteristics (830.6320) to the Agency on completion. It is recommended that the observations be made at 0, 3, 6, 9, & 12 month intervals. The results must be submitted in a hard copy and an electronic format is also requested.
4. As agreed on in your email dated August 27, 2008, you will remove the label claims on application to clothing.

Signature of Approving Official:

See next page

Date:

Richard Gebken, Product Manager (10), RD/IB (7505P)

5. The request to add mosquitoes, biting flies, ticks, deer ticks, chiggers, no-see-ums and fleas to the product label is conditionally acceptable provided you submit product specific efficacy data as described in draft EPA Product Performance Guideline 810.3700 for each pest by May 5, 2009.

6. Add the following statements to the "First Aid" section:

If swallowed:

- Call a physician or Poison Control Center immediately for treatment advice.
- Have the person sip a glass of water if able to swallow.
- Do not induce vomiting unless told to do so by a doctor or Poison Control Center
- Do not give anything to an unconscious person.

7. Precautionary Statements: Change the signal word to "Caution". Add "Harmful if swallowed".

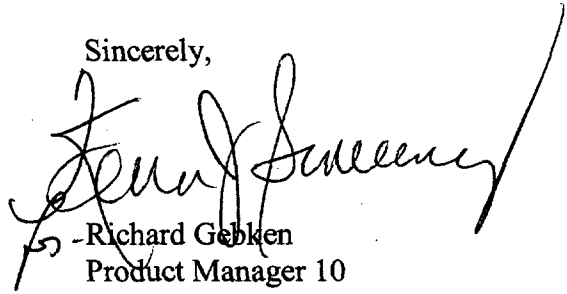

8. Add: "Do not apply to excessively sunburned skin." to the Directions for Use section.

9. Submit three (3) copies of your final printed labeling before releasing the product for shipment. If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA section 6(e). Your release for shipment of the product bearing amended labeling constitutes acceptance of these conditions.

A stamped copy of the label and the chemistry data evaluation review is enclosed for your records. The basic Confidential Statement of Formula (CSF) dated May 29, 2008 is acceptable and is the CSF of record for this product.

If you have any questions regarding this registration, please contact Kevin Sweeney at (703) 305-5063.

Sincerely,

Richard Gebken
Product Manager 10

OPTIONAL MARKETING TEXT

[Now . . . protection in an odorless formula that feels light and clean!]

[Cutter Insect Repellent 20KP provides up to 8 hours [of] protection against mosquitoes. It also provides effective protection against ticks, biting flies, deer flies, gnats, no-see-ums, chiggers and fleas.]

[Cutter Insect Repellent 20KP provides up to 8 hours [of] protection against the Culex mosquito. It also provides effective protection against ticks, biting flies, deer flies, gnats, no-see-ums, chiggers and fleas.]

[Cutter Insect Repellent 20KP with Picaridin is specially formulated for [fishermen, hunters and other Outdoorsmen] [active lifestyles]. [Cutter Insect Repellent 20KP will not damage plastics or other synthetic materials.]

[Because Cutter Insect Repellent 20KP provides protection without the odor, it is perfect for hunters. And now formulated with Picaridin so it will not damage fishing lines or other synthetic materials.]

[Works on clothing too! Spray socks, cuffs, hats and other clothing openings. Will not damage cotton, wool, nylon, acetate or spandex.]

Back Panel

STOP. Read and follow all directions and precautions on this product label.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling. **Do Not Apply more than twice per day.**

Hold 4 to 6 inches from skin while spraying, keeping nozzle pointed away from face. Slightly moisten skin. Excessive amounts or more frequent reapplication should be unnecessary. Do not apply over cuts, wounds, or irritated skin. Do not apply near eyes and mouth. Apply sparingly around ears. When using on children, apply to your own hands and then put it on the child. Use just enough repellent to cover exposed skin. Do not use under clothing. Avoid over application of this product. Do not spray in enclosed areas. If used on face, spray on hands first and then apply sparingly and avoid eyes. Do not spray directly onto face. After returning indoors, wash treated skin with soap and water. Wash treated clothing before wearing it again. **WHEN USING PRODUCT ON CHILDREN:** Do not apply to their hands. To apply to child's face and neck, spray the product into your hands and apply to the child. Take care to avoid mouth and eyes and apply sparingly around their ears. Do not allow children to handle the product.

STORAGE AND DISPOSAL

Pesticide Storage: Store the product in a cool, dry place, out of reach of children.
Container Disposal: If empty: Do not reuse this container. Place in trash or offer for recycling if available. **If partly filled:** Call your local solid waste agency or 1-800-CLEANUP for disposal instructions. Never place unused product down any indoor or outdoor drain.

PRECAUTIONARY STATEMENTS**Hazards to Humans and Domestic Animals**

WARNING. Causes moderate eye irritation. Avoid contact with eyes or clothing. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum, using tobacco or using the toilet. Use of this product may cause skin reactions in rare cases.

First Aid

If in Eyes: Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing. Call a Poison Control Center or doctor for treatment advice.

Have the product container or label with you when calling a Poison Control Center or doctor, or going for treatment. **Hotline Number:** In case of an emergency call 1-800-767-9927.

Physical or Chemical Hazards

COMBUSTIBLE. Do not use or store near heat or open flame.

NOTICE: Buyer assumes all responsibility for safety and use not in accordance with directions.
