(93% THROUGH 325 MESH)

FOR REFORMULATING USE ONLY

NOTICE

Because climatic, geographic, and other conditions of use will vary widely, neither Thompson-Hayward Chemical Company nor seller makes any warranty or representation expressed or implied concerning this product or its use except that it conforms to the chemical description on this label and no person is authorized to make any other representations upon their behalf. Neither Thompson-Hayward Chemical Company nor seller shall be held responsible for damages resulting from the handling, storage or use of this product for any reason except the failure of the material to conform to the chemical description on this label. Damages, if any, which may result from the failure of this product to conform to the description on this label shall be limited to direct damages but shall not include consequential damages such as those resulting from crop injury, residues in excess of official tolerances, or failure to give adequate control.
