

ACCEPTED

JUN 18 1973

UNDER FEDERAL INSECTICIDE  
FUNGICIDE AND RODENTICIDE ACT  
AND ECONOMIC POISON REGISTER  
ED UNDER NO. 148-65  
ATTACHED COMMENTS.

### DIRECTIONS

#### Before application

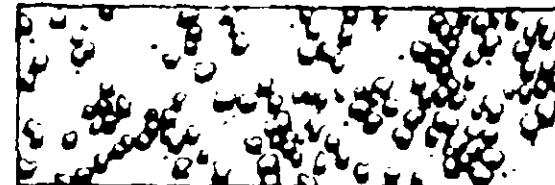

- Remove existing weeds.
- Thoroughly work and smooth the area to be treated.
- Carefully measure area to be treated and determine the number of square feet.
- If area to be treated is large, it should be divided into smaller sections, and each treated individually.

#### Application and rate

- Shake CASORON Granules uniformly on the soil at the rate of 1 unit (0.75 ounce) for each 10 sq. ft. to be treated (unit scale on side of container). 20 oz. treats 270 sq. ft. For circular areas around individual shrubs or trees apply the amount of CASORON indicated in the following table:

Diameter of Circle	Units of CASORON Granules
2 feet	0.3
3 feet	0.7
4 feet	1.2
5 feet	2.0
6 feet	2.8

- Rates higher than those indicated may cause injury.
- More accurate and uniform application can be obtained by applying one-half of the required material over the entire treatment area and repeating the application with the remaining material.
- CASORON should not be used on sloping areas, as run-off may result in injury to lawn or other plants in adjacent areas.
- As a guide for the proper application rate and uniformity of distribution of the granules, consult the diagram below.

#### After application

- Unless the soil is wet, sprinkle lightly to moisten the soil 1/4 to 1/2 inch deep. Do not flood, avoid puddling and washing.
- Avoid disturbing soil in the treated area as long as weed control is being maintained.

Controls Weeds and Grasses  
in ROSES, EVERGREENS,  
and other shrubs

Active Ingredient	
Dichlobenil**	2.0%

CASORON GRANULES when applied to the soil as directed will give selective control of annual grassy and broadleaved weeds and certain perennial weeds such as:

Annual Bluegrass	Florida Purslane	Peppergrass
Bluegrass	(Pusley)	Pineapple Weed
Bull Thistle	Foxtail	Plantain
Camphorweed	Giselia	Purslane
Carpetweed	Groundsel	Ragweed
Chickweed	Henbit	Redroot Pigweed
Citron Melon	Horsetail	Rosarypea
Coffeeweed	Jerusalem oak	Russian Thistle
Crabgrass	Goosefoot	Shepherdspurse
Cudweed	Knotweed	Smartweed
Dandelion	Lambsquarters	Spanishneedles
Eveningprimrose	Milkweed Vine	Spurge
Fiddleneck	(Morrenia odorata)	Teaweed
	Natalgrass	Texas Panicum
		(Hurrahgrass)
		Wild Mustard
		Yellow Woodsorrel

#### WOODY ORNAMENTALS

CASORON GRANULES ARE TO BE APPLIED ONLY TO ESTABLISHED WOODY PLANTS - THOSE WHICH HAVE BEEN PLANTED FOR AT LEAST FOUR MONTHS. CASORON GRANULES MAY BE USED FOR WEED CONTROL ON THE FOLLOWING PLANTS:

Amur Corktree	Eastern Red	Kinnikinnick	Pittosporum
Arbor Vitae	Cedar	Laurel	Poplar
Ash	Elm	Leucothoe	Privet
Azalea <sup>1</sup>	Flwood Cypress	Lilac	Pyracantha
Barberry	English Walnut	Linden	Rhododendron
Beauty Bush	Euonymous	Locust	Rockrose
Birch	Filbert	Magnolia	Rose
Boxelder	Flowering Almond	Maple	Russian Olive
Boxwood	Flowering Quince	Mock Orange	Spiraea
Camellia	Forsythia	Mountain Ash	Sqaw-carpet
Caragana	Gardenia	Nandina	Weigela
Cleyera	Goldenraintree	Oak	Willow
Japonica	Hackberry	Osmanthus	Yew (Taxus)
Cotoneaster	Heather	(Holly-Olive)	
Cottonwood	Holly <sup>2</sup>	Pachistima	
Crabapple	Honeysuckle	Pecan	
Deutzia	Ive (Hedera Helix)	Photinia	
Dogwood	Juniper	Pine	

<sup>1</sup> Kurume, Mollis, Hardy Hybrid types and hardy native species only.

<sup>2</sup> Except I. Crenata, I. Rotunda, I. Venitoria.

#### **PRECAUTIONS**

Use only on the ornamental plants listed on the label. Do not apply to transplant or cutting beds or to newly set transplants and do not seed or transplant into treated areas. Do not use on extremely light sandy soils. Do not use on plants, any part of which is used for human or animal consumption. Keep container tightly closed when in storage.

#### **CAUTION**

Harmful if swallowed. Do not breathe dust. Do not allow contact with eyes or skin. Use with caution. Avoid contamination of feed and food stuffs. Do not reuse this container. Destroy when empty.

#### **NOTICE**

Seller makes no warranty, expressed or implied, concerning the use of this product other than indicated on the label. Buyer assumes all risk of use and/or handling of this material when such use and/or handling is contrary to label instructions.
