Algaetrol-50 is Economical-Efficient-Stable

Algaetrol-50 is compatible with all swimming pool chemicals and is non-toxic to paint, plaster and tile. Algaetrol-50 when used as directed, will improve the appearance and smoothness for the pool.

Algaetrol-50 prevents unsightly growth of algae.

Algaetrol-50 may be stored for prolonged periods of time without loss of its effectiveness or strength.

Algaetrol-50 requires no special equipment for treating water. May be added directly to the pool, or a spot or added to the water and distributed manually, preferably after the filter has been cleaned.

PRECAUTIONS

Causes eye irritation and skin damage. Do not get in eyes, on skin, or on clothing. Wear goggles and gloves when handling. Wash hands thoroughly with soap and water after use. Avoid contamination of food.

Do not use in areas containing fish, shellfish, etc.

This product is not to be used in swimming pools which are used for drinking water.

Directions for Application

One Quart (1/4 gal.) of Algaetrol-50 will treat 10,000 gallons of water in a swimming pool.

Pre-treatment Application

One Quart (1/4 gal.) of Algaetrol-50 will treat 10,000 gallons of water in a swimming pool. Add to the water and distribute manually.

Regular Application

One Quart (1/4 gal.) of Algaetrol-50 will treat 10,000 gallons of water in a swimming pool. Add to the water and distribute manually.

Spot Application

One Quart (1/4 gal.) of Algaetrol-50 will treat 10,000 gallons of water in a swimming pool. Add to the water and distribute manually.

NOTICE

See back panel for complete directions.

Algaetrol-50 is Economical-Efficient-Stable

Algaetrol-50 is compatible with all swimming pool chemicals and is non-injurious to paint, plastic, and tile. Algaetrol-50 when used as directed, will improve the appearance and cleanliness for the pool.

Algaetrol-50 prevents unsightly growth of algae.

Algaetrol-50 may be stored for prolonged periods of time without losing its effectiveness or strength.

Algaetrol-50 requires no special equipment for treating water. May be added directly to the pool in any spot or added to the water-circulation equipment, preferably after the filters have been back-washed.

DANGER

Causes severe eye and skin damage. Do not get in eyes, on skin, or on clothing. Wear goggles or face shield and rubber gloves when handling. Harmful or fatal if swallowed. Avoid contamination of food.

Do not reuse container. Destroy when empty.

This product is toxic to fish. Treated effluent should not be discharged where it will drain into lakes, streams, ponds, or public water.

Initial Application (original filling):

One Quart (32 oz.) of Algaetrol-50 to each 62,500 gallons of water or ratio thereof.

Continued Application

8 oz. of Algaetrol-50 in 62,500 gallons of water every 3-5 days or as needed to maintain 2 ppm active.

Quaternary Test Kits are available for this use.

Booster Application

8 oz. of Algaetrol-50 in 62,500 gallons after a heavy or prolonged rainfall, or when there is a heavy bathing load.

THE ABOVE DIRECTIONS SHOULD BE FOLLOWED EVEN WHEN THE POOL IS NOT IN USE. KEEP FROM FREEZING.

FIRST AID

In case of contact, immediately flush eyes or skin with plenty of water for at least 15 minutes. For eyes, call a physician. Remove and wash contaminated clothing before reuse. If swallowed, do not induce vomiting, drink large quantities of fluid and call a physician immediately.
