

KEEP OUT OF REACH OF CHILDREN

Corrosive. Causes severe eye and skin damage. Do not get in eyes, on skin, or on clothing. Wear goggles or face shield and rubber gloves when handling. Harmful or fatal if swallowed. Avoid contamination of food.

Do not reuse container. Destroy when empty.

FIRST AID:

In case of contact, immediately flush eyes or skin with plenty of water for at least 15 minutes. For eyes, call a physician. Remove and wash contaminated clothing before reuse. If swallowed, drink promptly a large quantity of milk, egg whites, gelatin solution, or if these are not available, drink large quantities of water. Avoid alcohol. Call a physician immediately.

NOTE TO PHYSICIAN:

Probable mucosal damage may contraindicate the use of gastric lavage. Measures against circulatory shock as well as oxygen and measures to support breathing manually or mechanically may be needed. If persistent, convulsions may be controlled by the cautious intravenous injection of a short-acting barbituate drug.

This product is toxic to fish. Treated effluent should not be discharged where it will drain into lakes, streams or ponds or public water. Apply this product only as specified on this label.

DIRECTIONS:

Initial Application: To a cleaned pool add 26 oz. to 50,000 gallons of water, or ratio thereof.

Maintenance Dose: Use 6.5 oz. per 50,000 gallons of water every 5 to 7 days. When weather is hot or bathing load is heavy, use this dosage every 5 days or as necessary.

Booster Dose: Immediately after every rain add 6.5 oz. per 50,000 gallons of water as above.

Important: Follow above directions without fail, even when pool is not used. Algae growth must be fought at all times.

Pool-side Surfaces: After cleaning surfaces, use .5 oz. to ten gallons of water for sanitizing or .5 oz. to 5 gallons of water for disinfecting.

NOTICE

Seller makes no warranty, expressed or implied, concerning the use of this product other than indicated on the label. Buyer assumes all risk of use and/or handling of this material when such use and/or handling is contrary to label instructions.
