

**PREVENTS MOST PLANT GROWTH FOR 6 MONTHS TO ONE YEAR  
EXCEPT DEEP ROOTED PERENNIALS.**

**Use on Driveways, Brick Walls, Paths, Patios, Tennis Courts, Parking Areas, Along Fences, Curbs and Gutters, Around Any Buildings, Structures, and Under Gravelled Pathways, Where Plant Growth is Desired to be Controlled. DO NOT USE ON LAWNS.**

**COVERS UP TO 1,200 SQUARE FEET**

### DILUTION TABLE

TO PREVENT REGROWTH			TO KILL ANNUAL WEEDS AND TOP GROWTH	
Amt. of Water to Add to WEED & GRASS KILLER	Amt. of WEED & GRASS KILLER to Use	Sq. Ft. Covered Area	Amt. of WEED & GRASS KILLER to Use	Sq. Ft. Covered Area
9 qts. water	1 qt.	100	1 qt.	300
18 qts. water	2 qts.	200	2 qts.	600
36 qts. water	4 qts.	400	4 qts.	1200

**CUT OR TRIM TALL WEEDS AND GRASSES BEFORE TREATMENT.  
Measure area to be treated (Example: 10x15=150 Sq. Ft.)**

### CAUTIONS

HARMFUL IF SWALLOWED OR ABSORBED THROUGH SKIN. Causes skin irritation. Do not breathe vapor or spray mist. Do not get in eyes, on skin or on clothing. Wash thoroughly after handling.

When container is empty, immediately wash thoroughly and destroy. NEVER RE-USE CONTAINER.

READ ENTIRE LABEL. Use strictly in accordance with label cautions, warnings and directions and in conformity with federal and state regulations.

KEEP AWAY FROM CHILDREN AND PETS. Do not store diluted spray. Make new dilution for each use.

Do not contaminate water used for irrigation or domestic purposes.

This product is toxic to fish and wildlife. Birds and other wildlife in treated areas may be killed. Keep out of lakes, streams, or ponds. Do not contaminate water by cleaning of equipment or disposal of wastes. Apply this product only as specified on this label.

EPA Est. 168-UT-1

### FOR BEST RESULTS

Read all directions and cautions before using. Measure area to be treated. Cut down weeds that are over 6" in height. Water or wet the area before treatment. It speeds up weed kill and helps to avoid runoff. In areas of heavy growth repeat treatment in 4 to 6 weeks, if needed. Avoid any application of spray or spray mixture which could contact flowers, ornamental or cultivated crops. Spray or apply mixed solution on weeds to point of runoff. DO NOT APPLY within or under drip areas of flowers, trees or shrubs. Leaching of soil or runoff after treatment should be avoided, as the chemical will move with soil particles and may cause damage to adjacent areas. Mix according to use directions and dilution table. A sprinkling can or new pressure type sprayer is best for application. Care must be taken to keep the weed killer off roots of desirable plants.

**FOR TREATING UNDER PAVEMENT:** Apply LIQUID WEED & GRASS KILLER at prevention recommendation (1 qt. per 100 sq. ft.) before any blacktop, concrete or parking lot area is covered. Do this after surface has been leveled and graded. Saturate or drench soil with normal watering, then apply mixture evenly to surface. A sprinkling can or non-pressure sprayer, for mixing give best results.

**TO KILL ANNUAL WEED AND TOP GROWTH OF PERENNIAL WEEDS:** Use 1 quart LIQUID WEED & GRASS KILLER in 9 quarts water to cover 300 sq. ft. For top killing of deep rooted perennial weeds: Bermuda, Quack Grass, Johnson Grass, Wild Morning Glory, and Canadian Thistle, use 1 quart LIQUID WEED & GRASS KILLER in 5 quarts water and treat 150 sq. ft. (10 x 15).

**TO PREVENT REGROWTH:** Apply with a sprinkling can or non-pressure sprayer. Use 1 quart LIQUID WEED & GRASS KILLER in 9 quarts water to cover 100 sq. ft. (10'x10'). For best results, apply to bare ground or when growth is just starting. Weeds that are taller than 4 to 6 inches should be cut down before application. Wet or water area to be treated. Apply mixture evenly. Where ground has been properly treated LIQUID WEED & GRASS KILLER has prevented growth from 1 to 2 years of most vegetation, except previously established deep rooted perennials. Wild Morning Glory, Bermuda Grass, Quack Grass and Johnson Grass. In areas of heavy rainfall (60 inches and up) it may be necessary to repeat application every 6 to 8 months to continue effective control of all weeds and grasses.

**NON-WARRANTY:** Manufacturer or Seller makes no warranty, expressed or implied, concerning the use of this product other than for the purposes indicated on the label. Manufacturer or Seller is not liable for any injury or damage caused by this product due to misuse, mishandling or any application not specifically described and recommended on the label.
