Avoid inhalation of dust. Avoid contact with skin.

Avoid contamination of feed and foodstuffs. Some fruits and other plants are susceptible to injury from sulfur under certain climatic conditions. The user is advised not to use sulfur on any crop unless local use has proven that sulfur is safe in that locality.

STORE IN A COOL, DRY PLACE — PROTECT FROM EXCESSIVE HEAT Burn bag immediately when empty. Stay out of smoke. Do not apply to or allow to drift onto sulfur-sensitive crops or varieties. Do not apply during periods of extreme heat.

This product is toxic to fish. Keep out of lakes, streams, or ponds. Do not apply when weather conditions favor drift from areas treated. Do not contaminate water by cleaning of equipment, or disposal of wastes. Apply the product only as specified on this label."
