U.S. ENVIRONMENTAL PROTECTION AGENCY  
Office of Pesticide Programs  
Registration Division (H7505C)  
401 "M" St., S.W.  
Washington, D.C. 20460

EPA Reg. Nu. 149-9  
Date of Issuance: FEB 7 2000

**NOTICE OF PESTICIDE:**

- Registration
- Reregistration

(under FIFRA, as amended)

Term of Issuance:  
**Conditional Registration**

Name of Pesticide Product:  
**TERRO ANT KILLER 3**

Name and Address of Registrant (include ZIP Code):  
**Senoret Chemical Company  
c/o Delta Analytical  
7910 Woodmont Avenue  
Bethesda, MD 20814**

**Note:** Changes in labeling differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby registered/reregistered under the Federal Insecticide, Fungicide and Rodenticide Act.

Registration is in no way to be construed as an endorsement or recommendation of this product by the Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

This product is conditionally registered in accordance with FIFRA sec. 3(c)(7)(A) provided that you:

1. Submit and/or cite all data required for registration of your product under FIFRA sec. 3(c)(5) when the Agency requires all registrants of similar products to submit such data; and submit acceptable responses required for reregistration of your product under FIFRA section 4.
2. Make the following labeling changes:
  - a.. Revise the EPA Registration Number to read: "149-9."
3. Submit five (5) copies of the revised final printed labels for the record.

Signature of Approving Official:  
**Marion Johnson, PM 3**

Date: FEB 7 2000

EPA Reg. No. 149-9

If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA sec. 6(e). Your release for shipment of the product constitutes acceptance of these conditions.

A stamped copy of the label accepted with comments is enclosed for your records.

Sincerely,

Marion Johnson  
Product Manager 03  
Insecticide Branch  
Registration Division (7505C)

EPA Est. 149-MO-1

## DIRECTIONS FOR USE

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.

**FOR USE IN AND AROUND:** Homes, Hospitals, Restaurants, Apartments, Grocery Stores, Institutional Buildings, Schools, Cafeterias, Warehouses, Storage Areas, Food Processing Plants, Mobile Homes, Boats, Military Bases, Theaters, Nursing Homes, and on Military, Commercial, and Cruise Ships.

**ATTRACTS AND KILLS ALL COMMON HOUSEHOLD ANTS INCLUDING:** Argentine ants, Ghost ants, Cornfield ants, Pavement ants, Acrobat ants, White footed ants, Little black ants, Odorous house ants, Crazy ants, Big headed ants, and other sweet eating ants.

**USING TERRO® ANT KILLER 3:** TERRO® Ant Killer 3 can be used indoors by applying the product to small pieces of paper, cardboard, or foil and placing them where ants are seen, such as the edges of sinks, tubs, window sills, under food cabinets, along floors and baseboards and in corners. Do not skimp on bait placements; the more bait placements the better. Since invading ants usually have outdoor nesting sites, it often helps to put the product outside, close to where ants are found entering the structure. Ants typically follow defined trails from the nest to food or water. Placing TERRO® Ant Killer 3 close to these trails will improve control.

**CONTROLLING AND ELIMINATING ANTS:** First ants will come in large numbers, but soon disappear. This product is specifically formulated to allow worker ants to consume the product and survive long enough to carry the liquid back to the nest and deliver a dose to the rest of the colony. The key to obtaining effective control is to monitor the placements and ensure there is always a fresh supply of TERRO® Ant Killer 3 on each placement. Complete control may take up to two weeks.

**USING TERRO® ANT KILLER 3 IN BAIT STATIONS:** This product will work well in most bait stations such as those made by B&G and Kness and Whitmire Micro-Gen. Follow directions included with the bait stations to obtain best results.

**USING TERRO® BAIT BULLETS:** This package contains TERRO® Ant Killer 3 and TERRO® Bait Bullets. Fill the TERRO® Bait Bullets half full with TERRO® Ant Killer 3 and place them, out of reach of children and pets, on a flat surface close to areas where ants are seen foraging or nesting. As the ants begin to feed on the bait you will notice many ants inside and around the opening to the Bait Bullet. If the ants consume the entire bait, simply refill the Bait Bullet.

**USING TERRO® BAIT BULLETS AS A PERIMETER ANT DEFENSE SYSTEM:** Locate areas close to the home or structure where ants are seen trailing. Place the Bait Bullets against the foundation where you have located ant movement. Space the Bait Bullets every 5 to 10 feet for maximum coverage. Check the Bait Bullets regularly for

activity. Remember ants will feed on TERRO® Ant Killer 3 and carry the bait back to the rest of the colony. Heavy infestations may require several bait placement refills and up to two weeks to control.

**DO NOT USE** in edible product areas of food handling establishments, restaurants or other areas where food is commercially prepared or processed. Do not use in serving areas while food is exposed. Avoid contamination of feed and foodstuffs. Place bait in areas inaccessible to children and pets.

For further information on successful ant control using the TERRO® brand of ant control products, visit our web site ([www.Terro.com](http://www.Terro.com)).

<p style="text-align: center;"><b>STORAGE AND DISPOSAL</b></p> <p><b>STORAGE:</b> Store in a cool dry place. Do not store where children or animals may gain access.</p> <p><b>DISPOSAL:</b> Securely wrap original container in several layers of newspaper and discard in trash.</p>
