AND POLLUTION PREVENTION

August 2, 2018

Mark Mongiovi  
Senior Manager, Regulatory Affairs  
Senoret Chemical Company, Inc.  
69 North Locust Street  
Lititz, PA 17543

Subject: Non-PRIA (Pesticide Registration Improvement Act) Labeling Amendment – Added  
state (NY) restrictive language  
Product Name: Terro Larvacide  
EPA Registration Number: 149-23  
Application Dates: 07/24/2018  
OPP Decision Number: 543142

Dear Mr. Mongiovi:

The amended labeling referred to above, submitted in connection with registration under the Federal Insecticide, Fungicide, and Rodenticide Act (FIFRA), as amended, is acceptable.

This approval does not affect any terms or conditions that were previously imposed on this registration. You continue to be subject to existing terms or conditions on your registration and any deadlines connected with them.

A stamped copy of your labeling is enclosed for your records. This labeling supersedes all previously accepted labeling. You must submit one (1) copy of the final printed labeling before you release this product for shipment with the new labeling. In accordance with 40 CFR § 152.130(c), you may distribute or sell this product under the previously approved labeling for 18 months from the date of this letter. After 18 months, you may only distribute or sell this product if it bears this new revised labeling or subsequently approved labeling. "To distribute or sell" is defined under FIFRA section 2(gg) and its implementing regulation at 40 CFR § 152.3.

Should you wish to add/retain a reference to your company's website on your label, then please be aware that the website becomes labeling under FIFRA and is subject to review by the U.S. Environmental Protection Agency (EPA). If the website is false or misleading, the product will be considered to be misbranded and sale or distribution of the product is unlawful under FIFRA section 12(a)(1)(E). 40 CFR § 156.10(a)(5) lists examples of statements the EPA may consider false or misleading. In addition, regardless of whether a website is referenced on your product's label, claims made on the website may not substantially differ from those claims approved through the registration process. Therefore, should the EPA find or if it is brought to our attention that a website contains false

Page 2 of 2  
EPA Reg. No. 149-23  
OPP Decision No. 543142

or misleading statements or claims substantially differing from the EPA-approved registration, the website will be referred to the EPA's Office of Enforcement and Compliance Assurance.

Your release for shipment of this product constitutes acceptance of these terms. If these terms are not complied with, this registration will be subject to cancellation in accordance with FIFRA section 6.

If you have any questions, please contact Cody Kendrick by phone at (703) 347-0468 or via email at [kendrick.cody@epa.gov](mailto:kendrick.cody@epa.gov).

Sincerely,

A handwritten signature in black ink, appearing to read "SEIICHI MURASAKI", with a stylized, cursive flourish at the end.

Seiichi Murasaki, Senior Regulatory Advisor  
Microbial Pesticides Branch  
Biopesticides and Pollution Prevention Division (7511P)  
Office of Pesticide Programs

## TERRO® LARVACIDE

[Mosquito Larvacide]

### [Alternate Brand Names]

- Terro® No Mess Mosquito Larvacide Pouches

### ACTIVE INGREDIENTS:

*Bacillus sphaericus* 2362, Serotype H5a5b, Strain ABTS 1743 Fermentation Solids,  
Spores, and Insecticidal Toxins.....2.7%

*Bacillus thuringiensis* subsp. *israelensis*, Strain AM 65-52 Fermentation Solids,  
Spores, and Insecticidal Toxins.....4.5%

**OTHER INGREDIENTS:**.....92.8%

**TOTAL**.....100.0%

Potency: This product contains 50 BsITU/mg or 0.023 Billion BsITU/lb.

The percent active ingredient does not indicate product performance and potency measurements are not federally standardized.

**KEEP OUT OF REACH OF CHILDREN**

### CAUTION

(See back panel for additional precautionary statements and first aid)

### NET WEIGHT:

\_\_\_ oz. (\_\_\_g) (X x \_\_\_ oz. (\_\_\_g) Water Soluble Packets)

{Brackets designate Master Label reader's notes}

[Brackets designate optional language]

**{MASTER LABEL – BACK PANEL PAGE 1 OF 2}**

FIRST AID	
If in eyes:	<ul style="list-style-type: none"><li>- Hold eye open and rinse slowly and gently with water for 15-20 minutes.</li><li>- Remove contact lenses, if present, after the first five minutes, then continue rinsing eye.</li><li>- Call a poison control center or doctor for treatment advice.</li></ul>
If on skin or clothing:	<ul style="list-style-type: none"><li>- Take off contaminated clothing.</li><li>- Rinse skin immediately with plenty of water for 15-20 minutes.</li><li>- Call a poison control center or doctor for treatment advice.</li></ul>
HOTLINE NUMBER	
Have the product container or label with you when calling a Poison Control Center or doctor or going for treatment. For general information on this product, contact the National Pesticide Information Center (NPIC) at 1-800-858-7378, Monday through Friday, 8 a.m. to 12 p.m. PST, or at <a href="http://npic.orst.edu">http://npic.orst.edu</a> . For medical emergencies, call the poison control center at 1-800-222-1222.	

## PRECAUTIONARY STATEMENTS

### Hazards to Humans and Domestic Animals

**CAUTION:** Causes moderate eye irritation. Harmful if absorbed through the skin. Prolonged or frequently repeated skin contact may cause allergic reactions in some individuals. Avoid contact with skin, eyes or clothing. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum, using tobacco or using the toilet. Remove and wash contaminated clothing before reuse.

## DIRECTIONS FOR USE

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.

Do not apply directly to treated, finished drinking water reservoirs.

### [HOW IT WORKS] [GENERAL INFORMATION]

TERRO® LARVACIDE [This product] is a selective microbial insecticide for use against mosquito larvae in a variety of habitats. The product can be applied to areas with plants, fish and other aquatic life and to areas used by or in contact with humans, pets, horses, livestock, birds, or wildlife. Once applied, the product [dissolves quickly to] release(s) a biological larvicide that is consumed by mosquito larvae, killing the larvae before they turn into biting adults [that may transmit viruses such as West Nile virus to people or heartworm disease to dogs and cats].

**[HOW TO USE] [USING TERRO® LARVACIDE]:** Place product on water surface in listed sites where mosquitoes may breed. Treat on basis of surface area by placing one (1) [water soluble] pouch for up to 50 sq. ft. of treatment area. There is no need to open [the water soluble][individual][pouches] as they will quickly dissolve [releasing contents].

### For control of mosquito larvae in the following sites:

**Treatment Areas:** Ponds, bird baths, water gardens, flower pots and planters, rain barrels, fountains, gutters, unused pools, pool covers, hollow trees and tree holes, livestock watering troughs/tanks, ditches, discarded tires, and any location where water accumulates and remains standing for periods of time.\*\*

Reapply TERRO® LARVACIDE as needed (after 1-4 weeks under typical environmental conditions).

**Drainage/Drainage Systems:** Catch basins and storm drains.\*\*

Reapply TERRO® LARVACIDE as needed (after 6-8 weeks under typical environmental conditions).

Longer periods of mosquito population suppression may result where sufficient numbers of nontarget aquatic invertebrate parasites and predators are present since these are not affected by the product and contribute to mosquito population reduction.

\*\*For Use in New York in Containerized Waters Only

**{MASTER LABEL – BACK PANEL PAGE 2 OF 2}**

## **STORAGE AND DISPOSAL**

Do not contaminate water, food, or feed by storage or disposal.

**PESTICIDE STORAGE:** Store in a cool, dry place. Do not store where children or animals may gain access.

**PESTICIDE DISPOSAL AND CONTAINER HANDLING:** Non-refillable Container. Do not reuse or refill this container. **If empty:** Place in trash or offer for recycling if available. **If partly filled:** Call your local solid waste agency for disposal instructions. Never place unused product down any indoor or outdoor drain.

### **Warranty and Disclaimer**

To the extent consistent with applicable law, seller makes no warranty, express or implied, of merchantability, fitness or otherwise concerning the use of this product other than as indicated on this label. To the extent consistent with applicable law, user assumes all risk of use, storage or handling not in accordance with the accompanying directions.

**{MASTER LABEL – OPTIONAL CLAIMS PAGE 1 OF 1}**

**{Optional Claims}**

- Kills mosquito larvae
- Made with BioFuse Technology
- Water Soluble Pouches [WSP]
- Larvacide treatment [for mosquitoes]
- Mosquito larvacide
- No dust [water soluble] [pouch]
- No breaking
- [Convenient] pouch dissolves [in seconds][quickly]
- [Convenient] dissolving pouch
- Resealable bag
- Includes xx [water soluble] pouches
- Each [water soluble pouch][pouch] lasts up to 60 days [two (2) months]\*
- Each [TERRO® LARVACIDE][water soluble][pouch][conveniently] treats up to 50 sq. ft. of water [and lasts up to 60 days]\*
- Treats up to xx sq. ft. of water (50 sq. ft. x qty)
- Can be applied to areas [used by] [or] [in contact with] people and pets
- [For] use in [ponds], [bird baths], [water gardens], [gutters], [rain barrels], & other standing water as labeled.\*\*
- [This] Package Lasts Up to XX Months [2 months X qty]\*
- Can be used in [fish habitats][fish ponds][water gardens]\*\*

\*For Drainage/Drainage Systems

\*\*For Use in New York in Containerized Waters Only
