

h. Revise the ingredients statement as the example below.

Active Ingredient:  
 Name(s) of Active Ingredient(s) . . . . . §  
 Inert Ingredients: . . . . . §

- i. On the top of the left hand panel, place the "Directions for Use" subheading.
- j. Place the misuse statement "It is a violation of Federal law to use this product in a manner inconsistent with its labeling" directly below the "Directions for Use" subheading.
- k. On the top of the right side panel, place the appropriate precautionary headings which read as follows:

**Precautionary Statements  
 Hazards to Humans and Domestic Animals**

- 2. Submit five (5) copies of final printed labeling before you release the product for shipment.

Your release for shipment of the product bearing the amended labeling constitutes acceptance of these conditions.

If you have any questions concerning this letter, please contact Karen Leavy at (703) 557-3966.

Sincerely yours,

  
 John H. Lee  
 Product Manager (31)  
 Antimicrobial Program Branch  
 Registration Division (N7505C)

ACCEPTED  
with COMMENTS  
in EPA Letter Dated:  
**JUL 26 1989**

Under the Federal Insecticide,  
Fungicide, and Rodenticide Act  
as amended, for the pesticide  
registered under EPA Reg. No.  
150-28
