Attention: Wayne Bonkrude

Gentlemen:

Subject: A-Dine
EPA Registration No. 150-48
Your Amendment Dated September 26, 1986

The amendment referred to above, submitted in connection with registration under section 3(c)(7)(A) of the Federal Insecticide, Fungicide, and Rodenticide Act (FIFRA), is acceptable provided that you:

1. Submit/cite all data required for registration/reregistration of your product under FIFRA section 3(c)(5) when the Agency requires all registrants of similar products to submit such data.
- Add the contact time for sanitizing under "Use Directions."
2. Submit two (2) copies of your final printed labeling before you release the product for shipment.

If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA section 6(e). Your release for shipment of the product constitutes acceptance of these conditions.

A stamped copy of the label is enclosed for your records.

KEEP OUT OF REACH OF CHILDREN.

CAUTION: Avoid contact with food. Causes moderate eye injury. Avoid contact with eyes, skin or clothing. Wash thoroughly with soap and water after handling. IF IN EYES, FLUSH WITH PLENTY OF WATER. GET MEDICAL ATTENTION IF IRRITATION PERSISTS.

ENVIRONMENTAL HAZARDS

This product is toxic to fish. Do not discharge into lakes, streams, ponds, or public water unless in accordance with an NPDES permit. For guidance, contact your regional Office of the Environmental Protection Agency.

STORAGE AND DISPOSAL

Storage: Keep container closed when not in use. Do not store below 32°F, or above 100°F, for extended periods.

Disposal: Do not contaminate water, food, or feed by storage or disposal, or cleaning of equipment. In case of spill, flood area with large quantities of water, washing to sewer or collection vessel. Wastes resulting from use of this product may be disposed of on site or at an approved waste disposal facility. Do not reuse empty container. Rinse, puncture, and dispose of container in a sanitary landfill or by incineration.
