MESQUITE CONTROL: For simple application, use 1 to 1½ pints 2,4,5-T Low Volatile Ester 4 lbs. E.C. per 1 gallon of water and 1 gallon of water-free diesel oil. Apply to the base of each shoot as the first begins to leaf out. Do not treat if drought prevents heavy foliage growth.

GENERAL INFORMATION:

2,4,5-T Low Volatile Ester 4 lbs. E.C. is a emulsifiable concentrate which forms an emulsion in water and will emulsify with water-free diesel oil, fuel oil, or kerosene.

PREPARING THE SPRAY: Fill the spray tank with half the required amount of water or water-free diesel oil, fuel oil, or kerosene, add the recommended amount of 2,4,5-T Low Volatile Ester 4 lbs. E.C. emulsifiable concentrate with agitation, and continue filling the spray tank with water or petroleum oil. In straight oil mixtures, do not let water get into the 2,4,5-T Low Volatile Ester 4 lbs. E. C. itself or into the finished product.

TREATMENT SMALL AREAS: One tablespoonful of 2,4,5-T Low Volatile Ester 4 lbs. E.C. in 1½ gallons of water is about equal to 1 quart in 100 gallons of water.

CAUTION: Do not take internally. Avoid contact with skin, eyes, or clothing.

Avoid spray drift to susceptible plants such as cotton, tomatoes, flowers, grapes, fruit trees, and ornamentals. Spray drift may cause severe injury to both growing and dormant plants. Coarse sprays are less likely to drift. Although this ester is much less volatile than butyl or isopropyl esters, high temperatures may produce vapors after application which might injure some susceptible plants growing nearby. Do not contaminate irrigation ditches or water used for domestic purposes.

DO NOT use the same spray equipment for applying other materials to plants, as injury will result.

DO NOT store near fertilizers, seed, insecticides, or fungicides.

The following plants are included among those susceptible to 2,4,5-T Low Volatile Ester 4 lbs. E.C.:

- Alder
- Box Elder
- Elder Berry
- Gum
- Oak
- Palmetto
- Ash
- Birch
- Buckbrush
- Elderberry
- Gum
- Honey suckle
- Locust
- Maple
- Poison Ivy
- Box
- Buckbrush
- Cottonwood
- Crapemyrtle
- Maplemistle
- Osage Orange Sump
- Salmonberry Willow
- Willow
