**DIRECTIONS FOR USE**

**DORMANT OR DELAYED DORMANT APPLICATION:** For control of San Jose and Soft Scales on Almond, Apple, Apricot, Cherry, Nectarine, Peach, Pear, Plum and Prune. Use 2 gallons ETHION 2.2 SUPERIOR OIL per 100 gallons of water. Apply during the dormant or delayed dormant period.

**DELAYED DORMANT APPLICATIONS:** Use 1½ to 2 gallons ETHION 2.2 SUPERIOR OIL per 100 gallons of water. Apply during the delayed dormant period for control of the following: Over-wintering eggs of European Red Mite and Brown Almond Mite on Almond, Apple, Apricot, Cherry, Nectarine, Peach, Plum and Prune. Over-wintering eggs of Rosy Apple Aphid and Green Apple Aphid on Apples. Over-wintering eggs of Black Cherry Aphid on Cherries; over-wintering eggs of Mealy Plum Aphid and Leaf Curl Plum Aphid on Plums and Prunes; Pear Psylla eggs on Pears.

**THOROUGH COVERAGE FOR ALL USES IS NECESSARY:** ETHION 2.2 SUPERIOR OIL may be used in combination with Basic Zinc Sulphate. If the total solids are greater than 4 lb. per 100 gallons of spray, add an additional ½ gallon of spray oil per 100 gallons. This product may be used in combination with Polysulphide Compound. Exercise care to insure proper and complete mixing.

**DIRECTIONS FOR MIXING**

With enough water in tank to cover agitator shaft and with shaft in motion, add desired amount of this material for full tank. Pump this mixture through the overflow and back into tank for about 2 minutes to insure proper emulsification. Fill with water, adding other desired materials as tank is filling.

**USAGE CAUTION**

Do not use if material does not emulsify. Do not use in undiluted form. Do not apply after foliage or edible parts start to form. Do not apply to forage crops. Avoid application of all sprays just prior to or during hot or freezing weather, or during rainy weather or dry, hot winds. Avoid double spraying. Plants receiving oil sprays should be in healthy condition and proper moisture should be present.

**CAUTION**

May be fatal if swallowed, inhaled or absorbed through skin. Do not breathe vapor or spray mist. Do not contact skin, eyes or clothing. Wash thoroughly after handling. Do not contaminate feed and foodstuffs.

Use of this material in a manner or at a time other than in accordance with the directions may produce plant injury, excessive residues or other undesirable results.

This product is toxic to fish, birds and other wildlife. Keep out of lakes, streams or ponds. Do not apply where runoff is likely to occur. Do not apply when weather conditions favor drift from areas treated. Do not contaminate water by cleaning of equipment or disposal of wastes. Apply this product only as specified on this label.

Do not reuse empty drum. Return to drum conditioner or destroy by perforating or crushing and burying in a safe place away from water supplies.

**NON-WARRANTY:** Manufacturer or Seller makes no warranty, expressed or implied, concerning the use of this product other than for the purposes indicated on the label. Manufacturer or Seller is not liable for any injury or damage caused by this product due to misuse, mishandling or any application not specifically described and recommended on the label.
