U. S. Patent No. 3,042,703.

CAUTION KEEP OUT OF REACH OF CHILDREN
USDA Reg No 168-295
DIRECTIONS

water, shallow ponds, and around the edges of larger ponds, lakes, marshes, swamps, and tidal areas where mosquitoes breed. When water is greater than one foot in depth, apply 10 pounds per acre. Treatment of garbage dumps, manure piles, catch basins, and other pools of standing water containing mosquito larvae assists in control.

CAUTION:

Do not use inside homes, in dairy barns, poultry houses, or buildings where food is processed.

Do not use on crops used for food or forage.

Do not use treated manure on soil in which food crops are to be grown.

Harmful if swallowed, inhaled, or absorbed through the skin. Do not get in eyes, on skin or on clothing. Do not breathe dust. Wash thoroughly with soap and warm water after handling. Wash clothing with soap and hot water before re-use.

Avoid contamination of feed and food. Keep out of reach of children.

If misuse results in accidental poisoning, obtain prompt medical aid. Atropine sulfate is antidotal.

NON-WARRANTY: The use of this material being beyond our control, the Seller makes no warranty of any kind, expressed or implied, concerning the use of this product. Buyer assumes all risk of use or handling whether in accordance with directions or not.
