(SIDE PANEL)

ANTIDOTE:

EXTERNAL: Wash with water.
INTERNAL: Drink milk, rice gruel, molasses or raw egg white.
Follow with emetic (tablespoon of mustard in glass of water).
CALL PHYSICIAN.

CAUTION:

Close container tightly after using.
Store in cool, dry place.
Keep away from heat, acids, and organic or combustible materials.
Do not handle with wet hands.
Wash hands immediately after handling.
Avoid prolonged contact with skin. Do not get in eyes.
Do not take internally. May produce chemical burns. In case of eye contact,
flush with plenty of water. If irritation persists, get medical attention.

(RIGHT PANEL)

DIRECTIONS FOR USE

Swimming Pool Sanitation: ~~The contents of this container should be used for the purpose of sanitizing swimming pools.~~ Use Wasaclor Tablets by suspending polyethylene net bags or baskets containing the proper amount of tablets about two feet below the water level in the pool. There should be more tablets in the deep end. Use in freshly filled pools or pools that have not been previously treated. Repeat the daily dosage until a chlorine residual of 0.6 to 1.0 ppm is obtained.
