

WARNING:

Hazardous if swallowed, inhaled or absorbed through the skin. In case of contact, immediately remove contaminated clothing and wash skin or eyes with plenty of water. For eyes, get medical attention. Wash thoroughly with soap and water after handling and before eating or smoking. Wear clean clothes.

Do not apply or allow to drift to areas occupied by unprotected human beings or beneficial animals. Contact with skin can cause toxic symptoms. Avoid contact with food and food stuffs. **Keep out of reach of children.** Keep children and pets off treated areas until they have been washed into the soil and the residue has disappeared. Avoid breathing spray mist.

Do not apply to water and wildlife. Birds, bees, and other insects are highly sensitive. **Keep out of contact with children.** Do not use in areas where children play.

When used by hand, use protective gloves. Avoid contact with eyes. If contact occurs, flush eyes with water. If inhaled, get fresh air. If swallowed, do not induce vomiting. If on skin, wash with water. Do not use in areas where children play.

WASATCH CHEMICAL COMPANY
SALT LAKE CITY, UTAH 84114

DIRECTIONS FOR USE

ANTS (outside buildings): Apply 1 tablespoon per gallon water along runways and directly on hills or nests; in cracks in cement walks and patios and around building foundations.

ANTS, ROACHES, WATERBUGS (inside buildings for spot applications only): Mix 3 tablespoonsful per gallon of water. Use a coarse, wet spray or paint brush to apply material around door sills, window frames, water pipes or cracks and other hiding places. Do not contaminate food, eating utensils or drinking water. May cause staining of finished surfaces. **DO NOT USE** in commercial food preparations areas or in edible product areas of food processing plants.

NIGHT CRAWLERS in lawns (not for feed or food crops): Use 3 1/2 ounces with sufficient water to cover 1000 sq. ft. of area. Water in thoroughly.

WHITE GRUBS, SOD WEBWORMS, EARWIGS in lawns (not for feed or food crops): Use 2 oz. (1/4 cup) per 1000 sq. ft. of area. Water in thoroughly.

FOR GRASSHOPPERS, CRICKETS CONTROL ON NON-CROP LAND: such as fence lines, ditch banks, right of ways, and vacant lots. Mix 12-26 oz. in 25 gals. of water and apply to area. Use 1 oz. per 2 gal. of water for 1750 sq. ft.

NON-WARRANTY:

Manufacturer or seller is not liable for any injury or damage caused by the product due to misuse or application in any application not specifically mentioned on this label.
