10.2%

### INERT INGREDIENTS

71.3%

TOTAL .....

100%

\* Equivalent to 3.1 lbs. of active ingredients per gallon.

\*\* Equivalent to 1.67% Elemental Boron.

**CAUTION: KEEP OUT OF REACH OF CHILDREN – See Other Precautions Below**

### DIRECTIONS FOR USE

RIVERDALE KILLSALL LIQUID is a weed and grass killer for general use to prevent vegetation growth on driveways, parking lots, walks, around fences, curbs and similar non-crop areas where plant growth is not desired.

Mix 1 quart of Riverdale Killsall Liquid in 2 gallons of water and spray unwanted plants thoroughly. This amount of spray mix will cover 150 square feet of area.

For complete weed and grass control where perennial weeds are a problem, mix 1 quart in 2 gallons of water for treatment of 100 square feet of area.

Spray thoroughly to wet plants using a coarse spray to prevent drifting. Best results are obtained when weeds and grass are small. Fall application may be made. Some retreatment may be necessary the following spring for complete removal of all vegetation.

1 Quart Controls 150 sq. ft.    1 Gallon Controls 600 sq. ft.  
2 Quarts Controls 300 sq. ft.    5 Gallons Controls 3000 sq. ft.

### DO NOT USE ON LAWNS

Caution: Harmful if swallowed. Avoid getting on skin area or in eyes; avoid breathing spray mist. Wash exposed skin areas, clothing and equipment with soap and water after application. Do not allow solution or spray drift to contact desirable plants.

Do not reuse containers; destroy by crushing and burying in a safe place.

Avoid contamination of water intended for irrigation and domestic use. Do not contaminate water by cleaning of equipment or disposal of wastes. Do not transport or store with foodstuffs, seeds, fertilizers, insecticides or fungicides.

This product is toxic to fish and wildlife. Keep out of lakes, ponds and streams. Do not apply in any manner not specified on label.

Do not mix with other chemical or weed killers.

Do not apply to areas overlaid by roots of desirable trees and shrubs.

### NOTICE

Seller makes no warranty expressed or implied concerning the use of this product other than indicated on this label. Buyer assumes all risk of use and/or handling of this material when such use and/or handling is contrary to label instructions.
