SAN-DE EGG WASH

SANITIZING LOW-FOAMING DETERGENT

100 LBS.

ACCEPTED
May 22 1971
FEDERAL BUREAU OF INVESTIGATION
POST OFFICE
EDITH ST. / BOYSCON BLDG.
TO A...

Use in all types of Egg Washers for its cleaning and low foaming qualities. Careful control of ingredients and compounding assures consistent Quality.

Not harmful to metals. Will not transmit odor to egg contents. Egg shells retain natural finish.

For faster egg cleaning use SAN-DE Egg wash.

Harmful if swallowed. May cause burns or damage to the eyes. Do not get on skin or in eyes. If contact with eyes occurs flush with plenty of water for 15 minutes and get medical attention. If contact with skin occurs flush with water. Avoid contamination of food.

KEEP IN COOL PLACE

Active Ingredients.

DIRECTIONS

Use 1 oz. San-De to 2 gallons of water. Enough for 30 dozen eggs. If solution is heavily contaminated, change solution.

Keep machine clean at all times. Be sure water is warmer than the eggs (not over 140°F.)
