DIRECTIONS FOR USE: It is a violation of Federal law to use this product in a manner inconsistent with its labeling. **Read entire label before each use.**

Dexol Carpet Dust provides an effective and easy way to kill Fleas, Ticks, Roaches, Ants, Lice and Silverfish that live and breed in carpets and upholstery. This combination of the natural insecticide pyrethrum with a deodorizing agent and pleasant fragrance leaves treated areas with a fresh clean scent.

HOW TO USE: Shake container before using. Remove plastic seal and sprinkle evenly onto carpets at the rate of 4 oz. To 100 sq. Ft. Brush lightly with a broom to allow product to penetrate fibers. Allow product to remain on the carpet for at least 60 minutes and then vacuum away. Reapply as needed to maintain control.

NOTE: For severe infestations, allow product to remain on carpet 2-3 hours before vacuuming.

FOR USE ON UPHOLSTERY: Remove all loose cushions. Sprinkle along creases and into corners. Brush gently, wait 60 minutes and vacuum away. Also apply along underside of furniture. Do Not use on exposed fabric; may cause staining.

IMPORTANT: Do not allow product to become wet. If product adheres to a spot, brush it out and vacuum immediately. Apply to dry surfaces only. Test on hidden surface of carpet or upholstery before applying. If texture or color is affected, do not use. Always remove bag from vacuum cleaner after use. Wrap bag securely in several layers of newspaper and discard in trash.

FOR FLEA CONTROL ON DOGS AND CATS: Apply to your pet while out-of-doors or in a well ventilated area to avoid breathing airborne dust. Hold can upside down and sprinkle powder over animals back; head to tail; around the neck and ears, the underbelly, the legs, the base of the tail and where fleas are seen; keeping out of pet's eyes and face. Rub in against the lay of the hair until powder penetrates to skin. In addition to fleas; tick and lice will also be killed

when contacted by the powder. Treat pet sleeping quarters and replace with freshly laundered bedding. Reapply every week if necessary.

NOTE: Do not treat puppies or kittens under 12 weeks old. Consult a veterinarian before using this product on debilitated, medicated, aged, pregnant or nursing animals. Sensitivities may occur after using ANY pesticide product for pets. If sign of sensitivity occur bathe your pet with mild soap and rinse with large amounts of water. If signs continue, consult a veterinarian immediately.

STORAGE & DISPOSAL

Storage: Store in a cool, dry place. Keep in original container and preferably in a locked storage area. **Pesticide Disposal:** Partially filled container may be disposed of by securely wrapping original container in several layers of newspaper and discarding in trash. **Container Disposal:** Securely wrap original container in several layers of newspaper and discard in trash.

PRECAUTIONARY STATEMENTS

Hazards to Humans & Domestic Animals

CAUTION: Harmful if swallowed, inhaled or absorbed through the skin. Avoid contact with skin, eyes, or clothing. Avoid breathing dust. Wash thoroughly with soap and water after handling. Remove contaminated clothing and wash before reuse. Do not allow dust to contact food, feedstuffs, and water supplies. Thoroughly wash dishes and food handling utensils with soap and water if they become contaminated by application of this product. Keep children and pets off treated carpets and upholstered furniture during treatment and until area is vacuumed.

FIRST AID

If Swallowed: Call a physician or Poison control Center. Drink 1 or 2 glasses of water and induce vomiting by touching back of throat with finger. Never induce vomiting or give anything by mouth to an unconscious person. **If on skin:** Wash affected areas with plenty of soap and water. Get medical attention if irritation persists. **If in eyes:** Flush eyes with plenty of water. Get medical attention if irritation persists.

ENVIRONMENTAL HAZARDS

Do not contaminate water by cleaning of equipment or disposal of wastes. Apply this product only as specified on this label.

NOTICE: Seller makes no warranty, expressed or implied, concerning the use of this product other than on the label. Buyer assumes all risk of use and /or handling of this material when such use and/or handling is contrary to label instructions.
