Office of Pesticide Programs  
Registration Division (H7505C)  
401 "M" St., S.W.  
Washington, D.C. 20460

EPA Reg. Number:  
192-207

Date of Issuance:  
JUL 17 1998

NOTICE OF PESTICIDE:  
 Registration  
 Reregistration

(under FIFRA, as amended)

Term of Issuance:  
Conditional

Name of Pesticide Product: Dexol  
Pest Free Insect  
Killer

Name and Address of Registrant (include ZIP Code):

Dexol Industries  
1450 W 228th St.  
Torrance, CA 90501

Note: Changes in labeling differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby registered/reregistered under the Federal Insecticide, Fungicide and Rodenticide Act.

Registration is in no way to be construed as an endorsement or recommendation of this product by the Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

This product is conditionally registered in accordance with FIFRA sec. 3(c)(7)(A) provided that you:

1. Submit and/or cite all data required for registration/reregistration of your product under FIFRA sec. 3(c)(5) when the Agency requires all registrants of similar products to submit such data; and submit acceptable responses required for reregistration of your product under FIFRA section 4.

2. Make the following label changes:

- a. Revise the EPA Registration Number to read, "EPA Reg. No. 192-207".
- b. Change the signal word to "CAUTION".
- c. Change the Precautionary Statements to read: Harmful if absorbed through skin. Causes moderate eye irritation. Avoid contact with eyes, skin, or clothing. Wash thoroughly with soap and water after handling.

Signature of Approving Official:  
*See page 2*

Date:  
*July 17, 1998*

d. Change the Statement Of Practical Treatment to read :

STATEMENT OF PRACTICAL TREATMENT.

IF ON SKIN: Wash with plenty of soap and water. Get medical attention.

IF IN EYES: Flush eyes with plenty of water. Call a physician if irritation persists.

3. Submit two (2) copies of the revised final printed label for the record.

If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA sec. 6(e). Your release for shipment of the product constitutes acceptance of these conditions.

A stamped copy of the label is enclosed for your records.

Sincerely,

Joseph M. Tavano  
Insecticide Branch  
Registration Division (7505C)

**ACCEPTED**  
with **COMMENTS**  
In EPA Letter Dated:  
**JUL 17 1998**  
Under the Federal Insecticide,  
Fungicide, and Rodenticide Act,  
as amended, for the pesticide  
registered under EPA Reg. No.  
192-207

**PRECAUTIONARY STATEMENTS  
HAZARDS TO HUMANS AND DOMESTIC ANIMALS  
WARNING**

Causes substantial but temporary eye irritation. Do not get in eyes or on clothing. Harmful if swallowed, inhaled, or absorbed through skin. Avoid contact with skin. Avoid breathing vapor or spray mist. Wash with soap and water after use. Remove and wash contaminated clothing before reuse.

**First Aid**

**If in eyes:** Hold eyelids open and flush with a steady, gentle stream of water for 15 minutes. Get medical attention. **If swallowed:** Do not induce vomiting. Promptly drink a large quantity of milk, egg whites, gelatin solution, or if these are not available, water. Do not give alcohol. Get medical attention. **If inhaled:** Remove victim to fresh air. If not breathing, give artificial respiration, preferable mouth to mouth. Get medical attention. **Note to physician:** This product contains a cholinesterase inhibitor. Atropine, by injection, is antidotal and should be administered only if signs of cholinesterase inhibition have appeared. 2-PAM is also antidotal and may be used in conjunction with atropine.

**ENVIRONMENTAL HAZARDS**

This pesticide is extremely toxic to fish, birds, and other wildlife. Do not apply directly to water. Drift or runoff from treated areas may be hazardous to aquatic organisms in adjacent aquatic sites. Do not contaminate water when disposing of equipment washwaters. This product is highly toxic to bees exposed to direct treatment or residues on plants.

**PHYSICAL OR CHEMICAL HAZARDS**

Do not use or store near heat or open flame.

**Directions for Use:** It is a violation of Federal Law to use this product in a manner inconsistent with its labeling. **SHAKE WELL BEFORE USE.**

**General Information:** Dextol Pest Free Insect killer is a ready-to-use product designed to control listed insect around the home. Pests will be controlled by either spraying them directly or by contacting the residue left by the spray. The active ingredient in this product contains an insect growth regulatory which will prevent Fleas and Cockroaches from becoming reproductive Adults for up to 210 days (30 weeks)(7 months). Do not apply this product in food areas of food handling establishments. Do not use as a space spray. Do not allow children or pets to contact treated surfaces until they are dry.

**FOR SPOT APPLICATION:** To Kill *Ants, Cockroaches, Crickets, Silverfish, Sowbugs, Pillbugs, Earwigs, Firebrats, Clover Mites, and Spiders (including Black Widow Spider) and Scorpions:* Spray areas where these pest are seen or where they may hide, such as dark corners of rooms, in closets, along baseboards, along and around door and window frames, behind and beneath sinks, stoves and refrigerators, in wall voids, around plumbing and utility installations, and around garbage cans. While treating these areas, if insects are flushed from hiding, spray them directly. Ant trails should be sprayed, following back to the point of entry into the house. Spray at the rate of 1 gallon per 1,000 sq. ft.

**TO KILL FLEAS AND TICKS:** Apply as a spot treatment to the floor areas inhabited by dogs or cats. Spray cracks and crevices, along baseboards and door threshold areas. Pet bedding

should be removed and laundered then replaces when treatment is dry. DO NOT TREAT PETS WITH THIS PRODUCT. The outdoor areas used by the animals and the animals themselves should be treated with products labeled for those uses to assure complete control.

**FOR CRACK & CREVICE TREATMENT:** To Kill *Ants, Cockroaches, Carpet Beetles (Dermestids), Crickets, Earwigs, Silverfish, Firebrats, Sowbugs, Pillbugs, and Spiders (including Black Widow Spiders) and Scorpions:* Spray directly into cracks and crevices in walls, floor, and wall voids and areas where these pest are seen or are suspected to be hiding.

**OUTDOOR APPLICATION:**

**For control of:** *Sowbugs, Millipedes, Earwigs, Pillbugs, Clover Mites, Centipedes, Scorpions, Cockroaches, Crickets, palmetto Bugs, Waterbugs:* Spray surfaces and hiding places throughly, such as cracks, crevices, moist areas, openings around pipes, spigots, storage areas, sheds and other areas where these pests tend to congregate. Repeat as necessary. DO NOT SPRAY DIRECTLY ON PLANTS.

**SPIDERS (including Black Widow Spiders):** Spray directly on spiders and webs. Repeat as necessary.

**Ants:** Spray ant trails, ant hills, ant mounds and other areas of entry and infestation. Spray on ants where possible. Repeat as necessary.

**STORAGE & DISPOSAL**

Do not contaminate water, food or feed by storage or disposal.  
**Storage:** Store product with spray nozzle closed. Store in a cool, dry storage area, preferably one that can be locked. Store upright in the original container. **Pesticide Disposal:** Partially filled container may be disposed of by wrapping in several layers of newspaper and discarding in trash. **Container Disposal:** Do not reuse empty container. Triple rinse and discard in trash.

**NOTICE:** Seller makes no warranty, expressed or implied, concerning the use of this product other than indicated on the label. Buyer assumes all risk of use and/or handling of this material when such use and/or handling is contrary to label instructions.
