PRECAUTIONARY STATEMENTS
HAZARDS TO HUMANS AND DOMESTIC ANIMALS

CAUTION: Harmful if absorbed through the skin. Avoid breathing dust. Avoid contact with skin, eyes, or clothing.

FIRST AID

If Swallowed: Call a physician or Poison Control Center immediately. If Inhaled: Remove victim to fresh air. Apply artificial respiration, preferably mouth-to-mouth, if indicated. If On Skin: Remove contaminated clothing. Wash affected area with soap and water. If irritation appears get medical attention. If In Eyes: Flush eyes with plenty of water. Get medical attention if irritation persists. Note to Physician: If symptoms of cholinesterase inhibition are present, atropine sulfate by injection is antidotal. 2-PAM is also antidotal and may be administered in conjunction with atropine.

USER SAFETY RECOMMENDATIONS

When handling the product, wear chemical resistant gloves, long pants, and long sleeved shirt. Wash the outside of gloves with soap and water before removing. Users should wash hands before eating, drinking, chewing gum, using tobacco, or using the toilet. User should remove clothing immediately if pesticide gets inside. Then wash thoroughly and put on clean clothing.

ENVIRONMENTAL HAZARDS

Do not apply directly to water. Do not contaminate water when disposing of equipment washwaters or rinsate.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling

This product is for use only on plants grown ~~in and~~ around the house as listed. Do not apply to plants or sites not listed on this label. Dextol Systemic Granules for Plant Insect Control contains an effective systemic insecticide that provides up to 6 weeks control of Aphids, Thrips, Mites, Leafhoppers, Leafminers and other insects as listed. Systemic means that the insecticide is actually absorbed into the plant through the root system and then moves internally through the sap stream into the branches, leaves, blossoms and the new growth. Working from inside the plant, Dextol Systemic Granules for Plant Insect Control kills sucking insects as they feed. It cannot be washed off by sprinkling or rain since the protection is internal. When used as directed, Dextol Systemic Granules for Plant Insect Control kills the following insects on roses, flowers, ~~houseplants~~ and shrubs: Aphids (Plant Lice), Cuban Laurel Thrips (~~Ericus~~), Leafhoppers, Lace Bugs, Holly Leaf Miners, Birch Leaf Miners, Maple Shoot Moth, Elm Leaf Beetles, Willow Leaf Beetles, Obscure Root Weevil on Azalea and Rhododendron. Avoid contact with skin. When handling the product, wear chemical resistant gloves, long pants, and long sleeved shirt when applying this product or mixing into the soil as directed. DO NOT apply to plants to be used for food or feed. DO NOT apply to ornamentals that are planted directly beneath food producing trees such as fruit or nut bearing trees.

FOR ORNAMENTAL SHRUBS: Apply 3.3 oz. (2/3 cups) for each foot of shrub height. Distribute the required amount evenly from the base to the dripline of all sides of the plants. Work into the top 1 to 2 inches of soil and water in thoroughly. Apply when plants have had about 1 inch of new growth in the spring and reapply every six weeks through the end of summer. FOR ESTABLISHED ROSES: Apply 3.3 oz. (1/2 cup) evenly over an area of 3' x 3' (9 sq.ft.) around the base of each plant and work into top 1 or 2 inches of soil. Water in thoroughly. WHEN PLANTING NEW ROSE BUSHES: Do not apply to newly planted roses until they have become well established or have been planted in the ground for 3 months. Then follow direction for Established Roses. FOR FLOWERS: Before Planting-Apply 2/3 lb. (10oz) per each 25 sq.ft. (5'x5') of bed area. Work into the top 1 to 2 inches of soil. Plant seed or set plants and water thoroughly. Growing Plants-Apply 2 level teaspoonfuls in a band around each plant. Work into the top 1 to 2 inches of soil. Water thoroughly.

STORAGE AND DISPOSAL

Do not contaminate water, food or feed by storage and disposal.

Storage: Store in a cool dry place away from children and pets. Keep in original container and preferably in a locked storage area. Pesticide Disposal: Partially filled container can be disposed of by securely wrapping container in several layers of newspaper and discarding in trash. Container Disposal: Do not reuse empty container. Securely wrap container in several layers of newspaper and discard in trash.

Verdant Brands will not accept liability for damage or injury resulting from misuse. For information on this pesticide product (including health concerns, medical emergencies, or pesticide incidents), call the National Pesticide Telecommunications Network at 1-800-858-7378.
